^ Open to members only

What else do we put on?

- We enter teams into local leagues^ for mostly evening matches some nights in May, June, September and October.
- We run daytime kids' tennis camps* during the main school holiday periods eg Easter and Summer.
- We occasionally run ad hoc events eg open days.
- We occasionally give over our courts for community use eg local schools competition.
- Our Club championship every year generally through August.
- We may put some indoor coaching on at a local facility on December and January.

Please note there is almost always at least one court available and the mini court/practice wall when we run scheduled activities. At all other times all of our courts are available to members for general play by booking first beforehand.

For full details please see our coaching page and/or contact us directly.
