

Calling All Girls

In partnership with the LTA and Prime Video, we are proud to be part of this national initiative to encourage the next generation of girls to start their journey playing and loving our sport. This six-week introductory course is packed with games and exercises to build confidence and skills on court, all whilst having fun with friends. The course costs only £35 for six sessions of coaching, as well as a t-shirt, tennis racket and tennis balls. For further information, please contact Marcio on 07585 326760.
