

Code of Conduct

This Code of Conduct assumes compliance with all Club Policies, as set out in Appendix 5 of the Constitution.

We are all keen to enjoy our sport so we have a simple Ground Rule to make the playing experience more enjoyable for all and that is '**Keep it clean!**'.

The 'it' being: **the courts, clubhouse, your language, behaviour and the way you play**

On court

The following is an extract from British Tennis website on court etiquette which reflects our approach:

- Please do not walk behind players whilst a game, a rally or coaching is in progress, this is to avoid distracting other members and most importantly to avoid any potential accidents on court.
- If you are trying to cross a court please wait until you are invited to and it is safe to do so.
- If a stray ball comes onto your court do not knock it back immediately, wait until the owners are ready and then hit it to the server's end.
- During play and particularly between games, keep the amount and volume of conversation down to a minimum necessary to play and enjoy your own games. Too much chatter can be disturbing to those playing nearby and, in between games, can hold up play for people waiting.
- Line calls can be a problem and we recommend the use of what the Americans call the 'honour system'.
- Only call the lines on your side of the net.
- Call clearly and firmly what you see and what you honestly believe to be correct.
- If you are not absolutely certain or didn't see the ball clearly, the ball is IN and must be given in the opponent's favour.
- If occasionally, you have serious doubts as to your opponent's eye-sight, ask politely if they are certain as to the accuracy of their call. If they say that they are, get on with the next point.

- If you feel your opponent regularly has difficulties making correct calls, start looking for different opponents!
- If in social/friendly matches there is some doubt over a line call, offer to play the point again rather than cause undue aggravation and time wasting.

Fair play: All Club members will respect the rules of the sport of tennis & address disputes with dignity and appropriate language.

Respect and Behaviour: All Club members and Club officials must show tolerance, courtesy, good manners, fairness, honesty, and integrity in their dealings with Club members, officials, Club members' guests, playing and social visitors. Don't let the frustrations of the game make you an unpleasant person to play with or criticise your partner or opponent, be positive and offer encouragement instead. Overall, use your best judgement, we all want to be competitive but don't let your emotions get on top of you!

End of a match/game: We encourage a polite tap of racquets or a handshake.

Off court

Housekeeping: Leave the courts free of litter and collect in tennis balls for other players to use.

Clubhouse: All members have a responsibility to keep the Clubhouse clean and tidy so use the bins provided and take away litter, water bottles etc.

Floodlights: If Floodlights are used and you are the last on courts, please turn off the floodlights and lock up the Clubhouse, by 10pm latest.

Noise: The clubhouse courts are surrounded by residential houses so we ask you to keep noise levels to a reasonable level i.e. no shouting or inappropriate language.

Respect and Behaviour: All Club members and Club officials must show tolerance, courtesy, good manners, fairness, honesty, and integrity in their dealings with Club members, officials, Club members' guests and social visitors. This includes all forms of communication with other members, Club officials and guests whether in person, in writing or digitally.

Equality: The Club is opposed to discrimination in any form. All Club members have a responsibility to make everyone feel welcome and to ensure that membership of the club is a positive experience.

Safety and Responsibility: All Club members will act responsibly and look to always protect and ensure the safety of everyone at the Club and particularly to consider the well-being and care of junior players and visitors.
