

CLUB TERMS AND CONDITIONS

Safeguarding

It is the responsibility of each member to be familiar with and adhere to our policies which are on display in the clubhouse and on the website, click [HERE](#)

Code of Conduct

We are an inclusive club and will not tolerate any discrimination, bullying or abusive behaviour at the club.

SAFETY

Players play at their own risk and have to take responsibility for their own safety. It is the players' responsibility to decide if the courts are safe and fit for use. The courts drain very well but please be aware that in the case of wet or icy conditions the courts can be slippery and in winter it can take time for frost/ice to clear due to the high hedge and the ice is not always visible.

There is a First Aid Box in the Club house, if used please inform a committee member so it can be replenished.

In case of an injury or accident please complete an accident report form which is in the back of the green safeguarding folder in the clubhouse, and please inform a committee member immediately.

COURTS AND CLUBHOUSE

All members are responsible for looking after the courts and clubhouse. In order to help extend the life of the court surface please clear the leaves and any debris before playing, there are brushes in the clubhouse as well as a leaf blower; please ensure it is put back on charge after use. After playing please ensure the nets are raised using the bungee cords provided, the clubhouse is left tidy, rubbish cleared and any cups used washed up and put away. Please make sure the clubhouse is locked and the gate is firmly closed. If you notice anything damaged or out of place please let a committee member know or email hillandvalleylta@gmail.com.

Court Booking

Please follow the court booking rules click [HERE](#). Please ensure that if you don't need your court you cancel it as soon as possible by going to your bookings on the website or Booker app. Courts unclaimed 10 minutes after the booking time can be used by other players.
