

Hill & Valley Lawn Tennis Club

Minutes of the AGM held in conjunction with the Club Supper

On Friday, 22nd November 2024 at 6.30pm

At The Old Smokery, Far Peak, Nr Northleach, GL54 3AP

1. Apologies 16 Apologies received: Rosemary & Stephen Scott Smith, Richard Isaac, Charlie Winward, Charles & Fiona Hutton Potts, Lindsey & Adrian Crane, Ely Kahn, Susan Livesey, Annabel Belcher, Sara Lyon, Linda Seaton, George Sarna, Lesley Jacob, Vanessa Baron, Jill & Andy Stewart.

2. The Minutes of the 2023 AGM were adopted and approved, proposed by Helen Owen and seconded by Ian Taylor.

3. Chairman's welcome and report (Robert Baker)

A very warm welcome to you all, thank you so much for coming to join us tonight, and especially a warm welcome to our new club members, partners and to those who are here for the first time!

A short tour of the year's highlights – I hope you agree – I think we've all have a lot of fun on the courts this year?! There's been many great social sessions – often quite noisy – a lot of laughter, with club events well attended and participation in general has risen.

Firstly the rise & rise of the walking tennis community!

This is a new addition to our events, supported by a spirited gang, many of whom are coming back to tennis, or recovering from injury or have let their tennis lapse for various reasons. Brilliantly led by Caroline and Hilary - the team has been the worthy recipient of a fantastic award from the County and furthermore the Regional LTA, in the form of the Volunteers Connecting Communities Award.

This was presented by the tennis celebrity Andrew Castle himself! There were some lingering clinches – now wiped from Instagram. A gracious looking glass trophy is awaiting construction of our trophy cabinet in the club house; and the group now competes in a regular interclub competition at the indoor centre at Oxstalls.

I wanted to add that it is great to widen the circle of tennis players beyond you young, fit and able people, to encompass a wider cross-section of our community, fulfilling a part of our mission to serve a broader health and wellbeing role beyond our traditional membership.

The Coln Valley Tournament is a great highlight of the year and once again numbers have risen close to the optimum of 96 players, not seen since well before the pandemic. We thank our super court owners, especially those opening their courts to us for the first time as we have three new courts for 2025. It's such a privilege to play in your lovely court settings, we are so grateful to you.

We also thank member Richard Isaac for arranging this year's main sponsor, Tanners Solicitors who have agreed this for three years, we also thank Pooky Lighting for sponsoring the balls.

A winner from Hill & Valley still eludes us. Our most successful pairs were Chrissie Kenning and Tim Wilson, and Leila Lodwick and her brother Alasdair all reaching ¼ final; Claire Watson & Dominic Chesmore made the semis of Scott-Smith Salver. The coming year's date is Saturday 14th of June 2025 – please mark out your new diaries with the date.

Chairman's report ctd

The two other main events were The Allison Stock day - themed 'Red, White and Blue' with a fun set of tennis games organised by Hilary that 18 members enjoyed – including a really fun 'three-a-side' competition! Interestingly that involved a serious level of communication between players – such an important & neglected part of competitive tennis – as in life generally!

And the annual John Robson American Doubles event run by Graham and won by Faye Cooper and Tim Wilson – well done!

Talking of Tim Wilson – a big shout out to you Tim for starting up a new club competition, a very competitive singles event, for some reason only known to Tim it is called 'Battlezone'! Played in July with 12-14 players, narrowly won in a hard fought final by Jack Heathcoat-Amory, who prevailed heroically over Leila Lodwick.

There's much more to report on, but perhaps you should read it in the Club Reports attached. Our teams continue to compete in local county leagues, two ladies' teams and one mens; a ladies over 60's and the Stroud Mixed Winter League. A big thanks to Yvonne for running the club mixed doubles ladder, and to you all for supporting Tom Wyman's Saturday coaching groups, Mixed Social sessions on Saturday afternoons and the increasingly popular Friday evening pre-village hall pub sessions – which seems a good way of letting off of steam at the end of the week.

4. Club Financial situation & 2025 subscription proposal

The club remains in a sound financial position with a respectable surplus been made in the last year. Our main expenses are maintenance costs (grass & hedge cutting, leaf clearance, replacement benches, rubber mats, more fence screening, and construction of the replacement coach's store). We remain on track to build a sufficient 'sinking fund' to meet the major impending costs of court re-painting, and then re-surfacing in 3-5 years from now.

The Financial Statement was adopted and approved, proposed by Yvonne Winward and seconded by Trish King.

As you'd expect, our routine costs are subject to inflation and we ask you to consider the committee's proposal for a 3% increase in our subscriptions for the year starting 1st March 2025.

The proposed increase of 3% for Membership rates in 2025 were agreed, proposed by Gavin Ingram and seconded by Leila Lodwick. Membership fees next year would therefore be £82 for single, £160 joint, £180 family, £40 student, £31 youth, and £20 for junior membership.

5. Election of Officers

Your committee_all volunteer their time and energy to make things happen,

Zarah Barter Our Club Treasurer for the past two years will be standing down this year. She has given a great deal of her time to managing the financial affairs which is no mean task with a large number of transactions, my personal thanks to Zarah for her time managing this complex role. Zarah was also was Captain of the second Ladies Glos League team, and the Stroud Mixed Winter League matches over last winter.

Graham Stock Our Welfare & Safeguarding Officer, as well as undertaking many tasks under court maintenance & his general Mr Fix-it role, Graham leads our annual LTA Registration process that underpins the integrity of the club insurance arrangements. Thank you also for leading the CVT and the John Robson tournaments.

Justine Barnes The club secretary who has managed the meeting minutes and has done a great job setting up the new club tennis kit, she is standing down this year and we thank her for her time volunteering in this role.

Caroline Baker Membership Secretary, liaising with members over matters large and small and managing the Clubspark website as you conduct your sign ups and renewals and welcoming new joiners. Her second role is Coaching Secretary, interfacing with Tom Wyman and David Ayala over their coaching sessions, as well as running the after school programme including the kids holiday camps. As Events Secretary she administers most club events, does marketing of the clubs' activities and promoting events, and so much more, including the Saturday afternoon Mixed Social sessions and the popular 'Walking Tennis' sessions on Fridays.

The existing Officers, Robert Baker, Graham Stock and Caroline Baker agreed to stand again for 2025 and they were approved and proposed by Helen Clark and seconded by Zarah Barter.

Jen Walsh was elected as the new Secretary, proposed by Hilary Swan and seconded by Zarah Barter

Yvonne Winward was elected as the new Treasurer, proposed by Jamie Taylor and seconded by Graham Stock.

6. Volunteer's Team

Huge thanks also go to the many kind people who volunteer to help with events, leagues, ladders, club sessions, co-ordinate coaching and enable tournaments to happen.

Hilary Swan Ladies Team coach and for leading the drills & 'rusty returners' groups, and providing much appreciated guidance on team sessions and coaching groups; the CVT and another terrific Alison Stock event! She has given up her time to run the new Walking Tennis sessions and we thank her for volunteering her time to make this such a success.

Yvonne Winward Running the doubles ladders – and remaining supremely patient with players' inertia and lack of commitment to match timetables! Thanks also to her for taking on organising this year's Stroud Mixed Winter League.

John Boughey Running the Men's Night sessions - an all-year-round commitment which brings so much enjoyable tennis to us blokes, (and keeps us grounded with those tricky spinny serves!)

Ruth Burton for taking on from Caroline the running of the Monday morning Pop Up & Play session

Heidi Callon Hine & Moira Tremaine for taking on from Justine for the running of the Thursday Ladies session.

Ian Taylor for constructing the very smart new coach's store.

Tim Wilson for running our first Club Singles Competition and congratulations to winner Jack Heathcoat-Amory and runner up Leila Lodwick.

Robert Baker
Chair
November 2024

Hill & Valley Lawn Tennis Club

CLUB REPORTS 2024

1. Welfare Officer/Safeguarding Summary (Graham Stock)

With all that is going on around the country these days we have to be very mindful as a club to try and prevent, or resolve, incidents such as accidents, bullying and inappropriate communications, etc. This requires constant vigilance and we review club procedures on an annual basis, particularly at club registration time. We also rely on you as our members to report your observations so that we may resolve them before they become a big issue. The Welfare in our tennis club encompasses the wellbeing of members, visitors and the facilities too.

Our climate continues to have an influence on our court surface. This year, we have seen another record amount of rainfall. During September, 10 inches of rain fell in Chedworth, another record. This year we have had a number of players slipping in damp conditions. It appears the white lines and the green become less grippy when damp and we are looking into this. At this time of the year, I ask everyone to check the soles of their trainers for wear and replace them if you find the tread is worn. As ever, please take care to assess the safety of the courts before you decide to play, I can only reiterate the fact that it is your duty to play safely and stop when you cannot. You should check the condition of the courts every time you go to play on them, so that you are all confident for your safety. This also applies to the car park and approaching the courts

2. Membership Report (Caroline Baker)

The membership to date is 221 which is a slight drop of 4% on last year's 230. This is due to the falling Junior and Student membership which is in part due to the lower numbers at St Andrew's school so less children are attending coaching sessions. Adult membership has seen a 5% increase with Junior and Student a fall of 19%.

The breakdown is as follows: (2023 shown in brackets)

Adult 154 (147), **Student 14** (20) **Youth 29** (37), **Junior 24** (26)

Female: Adults **86** (83) Student **4** (7) Youth **10** (17) Junior **10** (8)

Male: Adults **68**(64) Student **10** (13) Youth **19** (20) Junior **14** (18)

It is wonderful to see more people playing tennis and enjoying our club. It remains important for the future of the club to attract younger members. Many of our those who play regularly are either approaching 60 or over 60 and whilst most are fit, the risk of injury becomes more likely as we get older which makes it harder for putting teams together to play in any of the Leagues. So please do help to spread the word and encourage your friends to come and give the club a try, any 3 sessions can be attended before having to join.

Attendance at our club sessions for adult members varies from week to week, we appreciate those who Robert mentioned earlier who give up their time to run them, Monday Men's night, Ladies on Thursdays and the Mixed doubles on Saturdays. We introduced a new session on Friday evenings which is followed by a drink in the new Pop up Pub in the village hall which has been a fun addition. The Pop Up & Play on Mondays has been very well attended and the Walking Tennis regularly sees 10 or more attending.

Membership Report ctd

Benefits for members

Well Human Physio at Far Peaks near Northleach, Miranda Mason at Kokora Health at Barnsley Park and D&J Sports give members a 10% discount.

Also don't forget to check your benefits by logging in to your [Advantage membership](#), there are discounts available from Pro-Direct on kit plus others.

Club branded clothing

Items can be ordered on line <https://wrealsports.co.uk/shop/my-club/misc/the-hill-valley-lawn-tennis-club/> Samples are available to try, please contact Zarah Barter zarah.barter@gmail.com 07713 678986

Wimbledon Tickets

If you would like to be in the LTA Advantage draw for tickets, please make sure our club is showing as your venue by logging in [HERE](#). You will receive an email from LTA in the Autumn reminding you to opt in if you want to be in the draw for tickets. There is an additional draw for those who also volunteer for the club.

[Easy Fundraising](#) is a great way for the club to receive some extra funds, click [HERE](#), there is also a link on the home page of the website with all the info, when you shop online the retailer donates to the club, the amounts vary for each retailer it is particularly good when using price comparison sites for insurance or things like AA membership as they can pay out larger sums anything up to £10. Anyone can do this you don't have to be a member so please encourage your friends and family to sign up to help the club.

Membership fees next year will be £82 for single, £160 joint, £180 family, £40 student, £31 youth, and £20 for junior.

Thank you to all our members for their support and looking forward to a healthy year ahead.

3. Coaching Report (Caroline Baker)

David Ayala continued with his Junior programme for 4-18yr olds with after school coaching on Wednesdays in term time and Fun camps during half terms and holidays and also with his one-to-one coaching for both juniors and adults. Numbers have dropped due to smaller numbers at St Andrew's school and the wet weather has caused several sessions being cancelled. The summer camps were very well attended and a full programme was run twice a week for 6 weeks.

Hilary continued her popular Tuesday rusty returner/beginner and Friday intermediate/advanced sessions during term time. In addition she has supported the B Team with a training practice on Tuesday evenings.

Tom Wyman's monthly Saturday coaching clinics have been put on for all levels which have had mixed attendance and some cancellation due to the wet weather.

4. Walking Tennis Report (Hilary Swan)

Last May, Caroline and Trish King attended a Walking Tennis workshop at East Glos Club. Walking Tennis was initiated by a lady in Bristol called Helen, she was a physio and tennis player.

Walking Tennis ctd

She was approached by someone who asked how come there was no walking tennis as there were walking options for other sports. She started a group pre-covid and built it up, since then the LTA have taken it on and it now part of their 'Open Court'. It can be for anyone but mainly for the following:

Experienced players who have become less active and mobile for a variety of reasons eg. arthritis or health conditions, or who are post knee/hip/shoulder/wrist surgery.

For rehab or help for those with neurological issues, stroke, Parkinsons.

For complete beginners, and for people of all ages.

The rules are simple: no running or jumping, orange transition balls, and the ball can bounce once or twice, under or overarm serve. It can be played either on a full size court or on a smaller court with a mini-net.

The sessions can be run by volunteers, no registered coach needed.

There are so many physical, social and mental health benefits which is why it is such a great option for a whole host of people looking for a new activity.

We decided to canvas some members and advertise it in physio clinics, Drs, and Village magazines.

A taster session was run by myself and Caroline in early July. Amazingly, 10 people attended 4 of which were non-members and included a couple who had never played tennis before. Everyone had fun and were keen to come again. Gradually over the months the weekly Friday afternoon 2.30pm -4.00pm sessions have become very popular. The Committee suggested a contribution of £3.00 per non-member and we could supply tea/coffee/cake and biscuits for all. There is now quite a competition for who can bake the best home made cake! On the odd occasion when the weather was bad, we have been able to hold the session in the Village Hall, this has proved a great alternative as the group can have the assurance that the session will take place and everyone can still meet up.

In January, Caroline confirmed that the walking tennis activity had been entered into the Glos LTA Volunteer's Connecting Communities Awards 2024. A month later we received notification that we were indeed the winners! There was a presentation evening at the Leonardo Hotel in Cheltenham where we received our award from Andrew Castle and other ambassadors from Gloucestershire Tennis. It was a lovely evening made even more special because we were able to invite many members from our walking tennis group to join us at the dinner/reception. An article in the Wiltshire & Glos Standard following the Award's ceremony also saw an increase in numbers. Amazingly, Caroline was contacted again in May to say we had won the South West Regional Award. We both attended the Queens Club on June 17th to receive our trophy and certificate and enjoyed watching a day of tennis along with other regional winners.

The whole experience from the beginning has been so rewarding. It has been extremely satisfying seeing so many people for different reasons enjoying a whole host of benefits. People are playing tennis who thought they would never be able to do it again, fitness and well being are improved, friendships have been made, it is relaxed and fun and you can go at your pace.

5. Team Tennis Reports (Hilary Swan, Zarah Barter, Yvonne Winward, Robert Baker)

Ladies' Dunlop Gloucestershire Summer League 2024 (Hilary Swan, Captain)

A Team - Division 1B

Pre-season preparations were going well, Tom Wyman's monthly clinics, my Drills and Match Play sessions, and several new 'young' members joining the Club and expressing an interest in playing matches. Unfortunately, this was quickly cancelled out by a rapidly growing injury list and significant gaps in availability.

Once again, I would like to thank Linda for patiently gathering everyone's holidays/dates etc. It is a massive task but facing a limited number of players, 'juggling' the 'A' and 'B' selections became quite stressful throughout the season. I had to keep checking and double checking the rules to see how many matches individuals could play before being 'tied to one squad'! Sadly 5 Draws, 7 losses, and 0 Wins did not give us enough points to survive so we will be relegated to Div 2 next season.

Thank you to everyone who played, there were some very close matches, lots of tie-breaks, some that went our way, some that did not!

Hopefully, we can 'bounce back up' next Summer.

B Team – Division 4B

With promotion into a higher division, we knew things would be more competitive and the level of play a 'notch' higher. Zarah very kindly rose to the challenge and put herself forward again to be Captain, and she 'marshalled' her troops admirably!

Two good wins followed by a draw proved a great start; things went a little 'astray' in the middle but two solid draws at the end saw the team nudge above Cirencester into 3rd place, a fantastic achievement. 'Consolidation' will be next season's mission.

Thank you to everyone who played, some on their debut, and also to all those who volunteered to drive around the County, especially over to Frampton and Lydney!

Men's Dunlop Gloucestershire Summer League 2024 (Robert Baker, Captain)

We retained our 2023 position in league division 5A in 2024; playing 10 matches against 5 other teams; we finished 4th out of 6 in the table, with our friends Twyning (B), Cirencester (E) & Bredon (C) ahead. We lost 3, drew 4, won 3. Our best match was a 4-0 win over Minchinhampton (D) at home, and our most successful players were Dominic Chesmore, Will Hine and Jack Heathcoat-Amory. We are delighted to have three new players in the team: Jack Heathcote -Amory, Tim Wilson and Marcus Oliver. We ran several Thursday evening team coaching sessions with David Ayala which was very useful and having consolidated our position in 2024, we look to advance in 2025 so Men's team players keep your tennis eyes in over the winter!

Ladies Over 60's Winter League 2023/24 (Hisae Hollingsworth, Captain)

Another very enjoyable season in this league despite some tough opposition and challenging weather conditions! Thank you to Captain Hisae, who kept everyone going and 'on their toes'. We secured 4th Place and shall look forward to hopefully playing some different opposition. We shall

Ladies Over 60's ctd

also try to encourage and welcome new players into the squad who have reached the 'significant' age! The new season is underway, thank you to Helen Owen and Linda Seaton for jointly taking on the role of Captain for this season.

Stroud Winter Mixed Doubles Sunday League 2023/24 (Zarah Barter, Captain)

The Sunday Stroud Winter League ran from 1st October 2023 through to 31st March 2024. Luckily, we managed to play the majority of matches by Christmas to avoid the inevitable rescheduling of matches due to the winter weather!

A big thank you to everyone who played (and reserves) as we finished in a creditable 4th position on the league table. We enjoyed some friendly battles against teams from Chalford, Cirencester, Glos Wotton and Painswick.

The current season 2024/25 has commenced and Yvonne Winward has taken on the role of Captain if you are interested in playing she can be contacted on 07816 651606
yvonne.winward@gmail.com

Mixed Doubles Ladder (Yvonne Winward)

A big congratulations to Leila Lodwick and Marcus Oliver, a first time pairing, who came top of the 2024 Mixed Doubles Ladder! Commendation to our runners up, Zarah Barter and Tim Brocklebank-Fowler, last year's winners, who were only a point behind. Thank you again to all who participated. The ladder runs from March until September and we hope you'll sign up next year.

7. Events Reports (Hilary Swan, Graham Stock, Caroline Baker)

We have continued with our three main competition events, as well as our Coffee and Croissant social event at the beginning of the new season in March. Huge thanks to Hilary and Graham for running the competitions and to all those who helped and baked and cleared up at these events. We will soon be planning our events for next year if you have an idea or suggestion or would like to help please get in touch with Caroline @ hillandvalleyltc@gmail.com

Allison Stock Day / Fun Mixed Doubles Event (Hilary Swan)

After some deliberation, a theme of Red, White and Blue was chosen for this year's Allison Stock Day on Saturday, October 5th. Dressing up is always optional but for many it is an excuse to be 'different' and prizes were awarded to Ruth Burton, Sue Francis and myself! On the tennis side, four different activities were chosen and all eighteen participants had a chance to rotate in and out playing different formats.

Half Court Singles/ 'Promotion / Relegation' was the first exercise, where players played points straight up and down, plus the tramlines. After 3 minutes, the winners moved up a place and losers moved down a place. It certainly proved a good warm up routine and certainly got the 'competitive juices' going!

We then moved on to '3 a-side' Each match consisted of 6 games, each player having a service game but the receiving three had to rotate each point. There was normal scoring and sudden death deuce. There was lots of tactical and positional chat amongst teams!

Allison Stock Day ctd

After a short break we moved onto the Serving Challenge. Hoops and cones were put down in the service boxes as targets. Ian Taylor emerged as the champion, with many others being hugely frustrated on how close they were to scoring!

The final format was Doubles, everyone could choose a partner and challenge another couple. The 'sliding handicap' was put into operation, whereby if you won the game you started the next game love 15 down, and if you lost the next one you 'slid' back to love all.

It was a really fun afternoon, the sun shone and everyone enjoyed tea, cake and a BBQ. Many thanks to Caroline and Robert and all others who provided 'goodies'. I'm sure Allison would have approved, although I'm sure her outfit would not have seen much red, just the blue and white of the Scottish flag!

American Doubles Tournament (Graham Stock)

12 payers took part in our American Doubles Club Tournament on Saturday morning 20th July competing for the John Robson Rose Bowl in 2 Round Robins. This produced tied scores, so a play-off was organised and eventually the mixed doubles final was played between Angie Kaye & Charlie Winwood against Faye Cooper & Tim Wilson. Heather Robson presented the trophy to winners Faye and Tim, just before the rain started at 1:15pm.

Coln Valley Tournament (Graham Stock)

This year we had 88 players (44 pairs), entering our open Mixed doubles tournament on Saturday June 8th, playing on 12 courts. Two new courts were a welcome addition. Both in fantastic locations with superb valley views. We had eight courts with four pairs and four courts with three pairs, so there is room for more entrants next year. The morning handicap round sent the top two pairs through to the Speke Cup and the remaining two pairs went through to the Scott-Smith Salver. The delicious lunchtime meal was again provided by Claire Booth and her team. Our own club members provided the lovely puddings and afternoon cakes.

With the increase in entrants, it meant we had to have a Quarter Final for the main competition on our courts which added an extra hour of playing time before we got the Semi-finals and Finals underway. The weather this year was very kind, and the day ended on a sunny note.

The Speke Cup was won by Claire Bell and Matt Dale. The Scott-Smith Salver was won by Nicola Turner and Chimnoy Basu.

The success of this tournament is not just the players who enter, but to the court owners and the people who work behind the scenes. Thanks in part to Caroline Baker who organises the advertising, entrants and the team working "behind the scenes" to make the day run smoothly.

8. Treasurer's Report 2024 and approval of the Annual Financial Statement (Zarah Barter)

The financial statements show that the club has made a surplus for the year of £9,433 compared to a surplus of £7,796 in 2023.

Income

The overall income totalled £18,432 compared to £14,919 in the previous year. The membership fees form a significant portion of income with an increase of 6% on last year. The visitor/lights/key

Treasurers Report ctd

income total increased from £546 to £960 which included David Ayala's floodlight payments for his coaching throughout the year and extra guest and pay and play fees.

The Coln Valley Tournament (CVT) in June was a huge success with 88 entrants this year compared to 80 last year, plus the raffle was very popular. We made a surplus of £3,342 which is a 24% increase on last year. The Coaching income notably increased this year totalling £928 primarily from David Ayala's court charges for holiday tennis camps which were raised this year and a small surplus from Tom Wyman's sessions

Finally, the rise in bank interest rates, together with £873 interest earned from the first year of the sinking fund 5-year fixed bond account, totalled £1,137 compared with £162 in the previous year.

Also, just to add a gentle reminder to use our ball recycling facility at the club and signing up to Easy Fundraising are simple ways of supporting your club for free.

Expenditure

The overall expenditure totalled £8,999 compared to £7,122 in 2023. The main variances include higher maintenance costs of £6,365 compared to £4,038 last year. Apart from the recurring annual costs for grass cutting and hedge trimming, there was tree felling of some ash and cherry trees, a new more effective leaf sucker was purchased to aid court cleaning, new court screens were put up around the court fencing to hide the new housing and materials were purchased for construction of the new Coach's store. In addition a second court bench was purchased through the Allison Stock legacy fund in memory of Allison and a memorial plaque will adorn the bench in due course.

Direct costs rose with/above inflation for electric, insurance premiums and LTA registration. Tennis ball purchases decreased as we had surplus stock and there was no advertising spend this year. The Social/Events net costs saw a significant decrease from last year, in part due to the new, successful Walking Tennis sessions held on Friday afternoons in which the club did so well it won an LTA Award!

Donations from the proceeds of the CVT this year include £400 to the Parish Churches, £100 to Give it Your Max charity which supports children in deprived areas to access playing tennis and £100 to the Hatherop Big Build charity for improvements to the village school in appreciation for the court loan for the CVT.

Balance sheet

The bank balances as at 30th September 2024 total £59,853 compared to £51,009 in 2023.

The reserves include the balance of the Allison Stock legacy fund (£11,531) and the sinking fund accounts totalling £25,681. The club will look to place circa £15-20k into another high interest-bearing account to build up the sinking fund total for future capital expenditure, mainly court resurfacing by 2030. Next year, the committee will look to replace the two benches at the front of the clubhouse, finish the coaches store, purchasing further court screening and discussions are ongoing to create a new seating/spectator area to the right of the steps down to the clubhouse.

In summary, the club is in a healthy financial position moving forwards. Should you have any queries, please email treasurer.hillandvalleytc@gmail.com.

November 2024
