Men's singles league rules – Autumn 2023

- 1) All entries must be made by the 10th of September
- 2) Matches are to be played 1 game per week. Players will be given a 7-day slot to arrange their match. Should they be unable to play on a given week then players can request a 2-week extension. Should the game not be played and neither player forfeit them both players will receive 0 points. Players will have to arrange the day and time for their match each week.
- 3) All entrants accept that their contact information will be given out to all other entrants to arrange matches.
- 4) The format will be a round robin league. The matches are two 6-6 tiebreak sets. A 2-set win will result in 2 points given to the winner and a 1-1 set draw will result in 1 point to each player. The order of matches will be drawn randomly once the cut off point for entries has been reached.
- 5) If there are 16 or more entries then there will be 2 league tables to prevent the league running for too long and the winners of each league will play a 3 set final to determine the overall winner.
- 6) If a player is injured or wishes to withdraw from the tournament for any reason after the first match then their fixtures and previous results will become void.
- 7) All results are to be sent to Billy Drew. Then they will be added to the league table which will be on the official club website.
- 8) All entrants must be either over the age of 18 or any juniors must have played at least one match for the club summer league teams.
- 9) If 2 people are top of the table by the end of all matches then those 2 players will play a match to determine the winner.
- 10) All entrants accept that the results will go into LTA Results Manager which will add stats to their World Tennis Number (for singles only).
- 11) The first matches will be played the week starting 18th of September.
