- Social Tennis – Social tennis and over 50's social sessions are for the members to play all year round. These are member led non coached sessions, no need to book.
- Tennis & Coffee Morning – Improve your tennis in a fun and social environment. Tea/coffee included and maybe even a biscuit or 2 to go with it.
- Beginner Coaching – You will learn the foundations of the game so that by the end of the course you will be able to enjoy fun matches with friends, family, or other people that you meet. You will be taught new skills and shown how to serve, rally & score.
- Improver Coaching – For those in between the Beginner and Intermediate sessions who are trying to improve their rallying skills but know the basic shots and can hit with relative consistency
- Intermediate Coaching – For players who are already able to rally and know the basics of tennis, the course will work on improving consistency and match play skills so players would feel more confident in a competitive singles or doubles match.
