

CLUB RULES

Introduction

The Committee of the Club, under the Form of Constitution of Houghton Tennis Club, is responsible for establishing and maintaining rules for the effective day-to-day operation of the Club. These may be amended by the Committee from time to time. Set out below are the current rules as adopted by the Committee on 02.06 19. The rules are binding on all members.

1. Colours

The Club logo is as shown at the head of this page.

2. Admission of Members

Any person who wishes to become a new Member of the Club must submit an application in such form as the Committee shall from time to time decide. The application will be passed to the Hon Treasurer who, once the new member has paid the required subscription, joining fee (if any) and for their electronic fob will issue confirmation of membership to the new member, including registering them to use the online court booking system. Each new member will be issued with an electronic copy or hard copy of the club rules and safeguarding and diversity policies. Payment of above fees shall imply agreement to abide by these rules.

3. Categories of Membership

Membership of the Club shall be divided into such categories as the Committee shall from time to time determine. Details of the current categories, their terms and privileges, are available from the committee. A full list of current members and their membership category shall be posted and maintained in the clubhouse.

4. Temporary Membership

Temporary membership may be granted to non-members in accordance with the terms of the lease existing between Houghton Tennis Club and Houghton Field Association.

5. Subscriptions

The scale of annual subscriptions and visitors fees shall be determined from time to time by the Committee and is available upon request.

Annual subscriptions shall become due and payable on 1st April in every year, in accordance with payment options determined from time to time by the Committee and detailed in the renewal notice.

If any subscription shall remain unpaid on 1st June, the member concerned shall be deemed to have resigned and each such member's electronic access fob shall be rendered inoperative. Lapsed members may, at the discretion of the Committee, be re-admitted to membership on payment of all arrears.

6. Social Members

Social Members shall be allowed all rights and privileges as if they were Full Members, except that they shall be non-playing members.

7. Resignation

Any member may resign their membership by giving notice in writing to the Committee to that effect. Except in exceptional circumstances approved by the Committee, there shall be no refund of subscriptions paid.

8. Clubhouse

1. Members must adhere to the permitted hours of use of the clubhouse as determined by the Planning Department of Harborough District Council. These are as follows: "the clubhouse shall be open to Tennis Club members only between 9.00am and 10.30pm Monday to Saturday and between 9.00am and 8.00pm on Sundays and Bank and Public Holidays. In addition, the clubhouse may remain open until 11.30pm on a maximum of 18 weekdays between May and July on occasions when Summer League matches are played. No persons are permitted to socialise on the veranda after 10.00pm."
2. Membership of Houghton Tennis Club is conditional upon the implicit acceptance by each member of the use of CCTV surveillance covering the clubhouse and courts. Members also implicitly accept the Committee's right to use CCTV footage as evidence, when considered by the Committee to be appropriate, in any instances of misbehaviour, vandalism, theft or the like, and to share such CCTV footage, if appropriate, with outside agencies such as the police or the Club's insurance company.
3. Access to the clubhouse is only afforded to adult members although junior members may also use the clubhouse facilities when one or more adult members are present. It is the responsibility of the last adult member vacating the clubhouse to ensure that no junior members remain in the building and that the door is securely closed.
4. Adult members may bring alcoholic drinks into the clubhouse for their own consumption but are responsible for ensuring that any drinks not consumed are removed from the building when leaving, along with any empty bottles or cans.

9. Visitors

The Club and individual members may, subject to the following conditions, introduce visitors:

2. It is the responsibility of any member introducing a visitor to pay the visitor's fee to the Honorary Treasurer or the Chair of the club. Any unpaid visitor's fees will be deemed to be a debt owed to the club by the introducing member until the fees are paid.
3. No person who has been expelled from the Club, or whose conduct or presence in the clubhouse shall be considered by the Committee

objectionable, or prejudicial to the interests of the Club, shall be introduced as a visitor into the Club.

4. Unless otherwise sanctioned by the committee in the case of specific individual(s) no playing visitor may play at the Club on more than four separate days in any one Club year, except as provided for in 5 and 6 below.
5. Non-members participating in coaching or playing in practices, matches or tournaments run under the auspices of the Club or County or National Association fall outside rules 8.2 and 8.4 above.
6. Where members have friends or relatives staying with them who are not normally resident in or near Leicester, the Committee is empowered to offer temporary membership (see Rule 4).

No game other than tennis shall be played on the tennis courts.

14. Coaching

Only coaches approved by the committee shall be permitted to provide tennis coaching at the Club.

The schedule of coaching provision, as well as the charges for providing coaching and courts reserved for coaching shall be agreed between the approved coach or coaches and the committee and be published by the Committee from time to time if the committee decides this is appropriate.

Coaching by non-approved coaches shall not be permitted.

Approved coaches may coach non-members, who shall have no other rights to the use of the Club facilities other than when participating in coaching run by approved coaches.

New balls shall only be provided by the Club for such matches and events as are sanctioned by the Committee. The Club has a Safeguarding Policy and a Diversity and Inclusion Policy that all members have access to in the clubhouse and can be sent electronically. The Club has a Safeguarding lead and their details are displayed on the club notice-board.

Members are required and expected to behave appropriately at all times, and in particular in relation to vulnerable members (adults and children). Members are required to use vigilance and awareness concerning inappropriate behaviour by

others at the Club and to report any concerns to the club Safeguarding Lead or via the LTA Safeguarding process.

20. Adherence to the Rules

These rules are binding on all members of the Club. Whilst maintenance of the observance of these rules is formally the responsibility of the Committee, it is incumbent on all members to assist with this endeavour.

Under the rules and requirements of the Lawn Tennis Association, any member dissatisfied with disciplinary action taken by the Committee has recourse to the Appeals Committee of the LTA.

22. Interpretation of Rules

The Committee shall be the sole authority for the interpretation of these rules, and the decision of the Committee upon any question of interpretation, or upon any matter affecting the Club and not provided for by these rules, shall be final and binding on all members.

Any matters not provided for either in the Articles of Association of the Club, or these rules of the Club, shall be decided from time to time by the Committee.
