

HULL YPI FIRST AID POLICY JULY 2020

Hull YPI Lawn Tennis Club is NOT a manned tennis club. Apart from during coaching sessions, there will NOT be a first aider on site at all times. Therefore players will be playing at their own risk.

First aid kit is located in the clubhouse, but is not available at all times due to limited members obtaining a key for the clubhouse.

In the event where the clubhouse is open with the first aid kit accessible but no first aider. The injured person will administer their own first aid, or if not possible, verbal consent will be asked in order to assist with the first aid.

In the event of a serious accident/injury please call for help and call an ambulance and await medical instruction.

To reduce chances of an accident or injury please ensure you do the following:

- Check court playing area and ensure it is safe to play.
- Ensure correct equipment is been used and footwear is being worn.
- Players advised to ensure they do an appropriate warm up and cool down.
