

## Club championships summer 2020

Despite a delayed start due to Covid, we managed to run our annual championships through the summer, and Finals Day was held on Sunday 20 September, with a sprinkling of socially distanced spectators but, sadly of course, no family barbecue! Sadly too, our defending men's singles champion, James, tore his Achilles tendon and had to concede what promised to be a really good match. But everything else went off without incident, and there was some excellent tennis for us to enjoy on a lovely sunny afternoon.

David

We had a bumper entry this year: 14 entries for the men's singles, 13 for the mixed doubles, 11 for the men's doubles, 8 for the ladies' doubles and 7 for the ladies' singles.
