

KENTON SPORTS CLUB BAR RE-OPENING INFORMATION FOR MEMBERS

Following government guidelines, we are now able to re-open Kenton Sports Club bar. We have carried out a COVID-19 specific risk assessment which is a government requirement to ensure the safety of our members and our staff. Here are the salient points, please read them and please comply. The Kenton EC reserves the right to discipline any member or bar staff who does not comply with the regulations.

- The indoor bar will not be accessible to members other than bar staff. Members will be required to order their drinks from the entrance of the club house and to drink them outside on the tables which will be arranged to allow members to socially distance.
- Members will be required to leave their name and contact details so we can provide track and trace information if required.
- A maximum of 28 members will be allowed in the outdoor areas outside the entrance to the club house.
- Members are requested to dispose of their plastic glasses and bottles in the bins provided.
- Members are required to keep up-to-date with the current government guidelines with regard to household mixing and to maintain social distance at all times.
- The toilets accessible for those using the bar will be those in the men's changing room. These will be available for ladies and men when the bar is open. Please ensure there is only 1 person in the area at any time.
- The bar staff will have access to the toilets in the clubhouse to maintain social distancing and a one-way system.
- Members and bar staff are requested to maintain good hand hygiene at all times.
- Members or bar staff who have symptoms of COVID-19 are requested not to come to the club at any time and to inform other members or bar staff they have been in contact with. Symptoms include a new cough, high temperature, shortness of breath and loss of the sense of smell or taste.
- There will be no TV or music on at the club at any time.

We will update members and bar staff as any changes are implemented or guidelines are further relaxed, in the meantime, please enjoy the bar at Kenton Sports Club.
