In this newsletter... Courts Opening 29th March 2021... Club Nights... Court Maintenance... AGM... Club Redevelopment...

COURTS OPENING 29th MARCH 2021

Great news after the last few months and Spring weather at last!

There are still COVID restrictions that apply , no major differences to the ones before but as a reminder you can click on the tennis balls below for the latest link to LTA. They will also be displayed on the club noticeboard.

COURT MAINTENANCE

Guy and his crew have done an excellent job in getting the courts ready. They look fantastic.

Additional paving has been installed around the club house specifically so we don't have to walk over the grass and take dirt onto the courts.

We have installed "**shoe brush pods**" at the entrance to the courts **PLEASE USE THEM.**

These two improvements should reduce the amount of dirt which gets carried onto the courts.

CLUB NIGHTS

Club Nights will **re-start on Tuesday 30th March**. Please remember to follow the latest Government and LTA advice on COVID 19.

Mark will be organising them as before so watch out for his texts so you can register for the either or both of the two slots that will be available.

AGM

The AGM was well attended with 38 members.

Bill Jackson gave thanks to the committee and a special mention to **Moya Meredith** for her help in creating the COVID 19 risk assessments. He also thanked **Mark Airey** for all his support in keeping us active and entertained during the lockdown with all his videos.

Guy Hill was recognised for all the work he has done over the years by looking after the courts. He was awarded a **Lifetime Membership of the Tennis Club** - Thank you Guy.

Guy in his "30 second acceptance speech" thanked all members who had helped in giving time and skills as part of **GUY'S AMAZING CREW**.

The existing Committee was proposed and retained for a further year, but we still have vacancies for **Junior Representative** and **Publicity Officer**.

CLUB REDEVELOPMENT

Following the **Main Club AGM** one of the key strategies is to look at improvements to the members area - the bar and outside areas.

If anyone would like to be involved in the first stage of identifying options, would they let either Bill Jackson or Anne McPhie know.

At the moment the Main Club are looking for 2 members from each section to join a small group but we would also welcome any ideas you have.

You can update your preferences or unsubscribe from this list.
