PLANT SALE - THIS SATURDAY

Jamie & George Brown (ex KTC Treasurer) are setting up a table near the kitchen entrance this Saturday morning 22nd May to sell some plants - **courgettes, cucumbers, tomatoes, sun flowers & basil**. Jamie has been growing them as part of his fundraising for his planned trip to Cambodia next year. So come along, play some tennis, or just get some additions for **your vegetable garden or window box**.

NEW WEBSITE

We hope you are enjoying the simplicity and usefulness of the court booking system, and the ease of renewing your membership. Well as part of the benefits of LTA/ClubSpark membership we have **revamped and updated our website** for our club members to link in with the **Court Booker and Membership Renewal** facility together with the ability to **book Tennis Aces coaching and Summer Schools**.

Over the course of this weekend the **new integrated website will be released**.

It can be accessed directly from the Court Booker or when you renew your club Membership - simply by clicking on our logo. You can also use www.knutsfordtennisclub.org.uk or save a new shortcut in your web browser for <https://clubspark.lta.org.uk/KnutsfordTennisClub>

If you have any feedback /suggestions on the content of the new website, please let Anne McPhie know. (vchair@knutsfordtennisclub.org.uk).

During Monday, the old website will be deleted but sometimes your web browser may keep stored copies (cached) that it shows instead of the new website. If this happens from Monday, click on the refresh button a few times in your browser menu. If you still experience a problem, please contact either Moya or Anne.

COURT ETIQUETTE

Please remember to be courteous to other players at all times. When you leave Courts 1+2 can you please slow down and check if anyone is playing on Court 5. **Let other players finish their point** or game before leaving or moving around the back of the courts. It can be very distracting for players. Thank you.

CLUBSPARK / LTA LOGIN

You may already have been **asked to switch over to or create an LTA login** when you recently accessed the Court Booker or ClubSpark Club Membership Renewal. This is a change being made by LTA to fully integrate ClubSpark and other areas into a single login. If you haven't done so, **you will need to follow the instructions when you login**. The process is straightforward, and they have prepared the following information which is available on this link [**LTA ClubSpark Login Migration FAQs**](#)

All ClubSpark users will be prompted to update their ClubSpark account by either:

- [**Linking it to an existing LTA account**](#) or
- [**Creating a new FREE LTA account**](#)

This single login will enable you to access the LTA ClubSpark platform, book courts, and purchase courses as per normal.

This is a simple process that should take 2-3 minutes.

If you already login to ClubSpark with an LTA login, then there is nothing for you to do and you can carry on as normal.
