

KNUTSFORD TENNIS CLUB NEWSLETTER

MAY 2022

In this newsletter... Communications Survey... Ukraine Fund Raising... Update re FITISM... Membership 2022/3... Vacancies on Committee

COMMUNICATIONS SURVEY

We are conscious that not all recipients of the newsletter are opening or reading the Newsletter on a regular basis, be they active Club members or people that have expressed an interest in the club in the past and haven't unsubscribed from the mailing list.

On the link below is a quick survey to gain initial views of our communication methods and if there is a sensible enhancement to them.

We would appreciate your views - please [CLICK HERE](#).

UKRAINE FUND RAISING

An article recently appeared in the [Knutsford Guardian](#) regarding our recent fund raising weekend.

MEMBERSHIP RENEWALS

Many thanks to the two thirds of you who have already renewed their tennis membership for 2022/23. That leaves more than 100 people that we haven't yet heard from!

We suspect that our renewal reminder emails may have been going into your junk folders as many are **showing as sent but unopened**. If you haven't had a renewal reminder **please do check in your junk or spam folders**. The email subject will have been **2022/23 xxxx Membership at Knutsford Tennis Club** and been sent from "Knutsford Tennis Club mail@clubspark.co.uk".

Please note that **every team player has to be registered by 1st May** - if not we will be liable for a fine. And if you have not re-joined by end of May then you will not be able to play on Club nights.

Email membership@knutsfordtennisclub.org.uk if you are **having difficulty renewing** your membership for any reason.

VACANCIES AND VOLUNTEERS

Please help the committee !

If you can offer any thoughts / assistance / ideas regarding **Communications and Publicity** please let Anne McPhie know. It doesn't necessarily mean you will have to attend Committee meetings on a regular basis!

Also the **team captains need help** in co-ordinating Match Fixtures. Not onerous but would really help to take pressure off the captains who are busy enough organising the teams.

So, we are still needing to fill two important positions on the Committee -

Secretary to replace Karen, please contact Karen for further details (secretary@knutsfordtennisclub.org.uk) and

Fixtures Secretary to help the Men's and Ladies' Captains, please contact Mark for details (coach@knutsfordtennisclub.org.uk).

FITISM

Refer to recent [newsletter](#) for further details but the main club committee have decided not to progress the proposal but instead to focus on Club Strategy which will include club re- redevelopment.
