12th May 2023

To all Tennis and Squash Members

Our club is looking at the possibility of adding 2 Padel courts to our facility .

One of our members , Mark Molnar , has stepped up to lead this project .

However , we need some volunteers with relevant skills to form a team to work with Mark .

Areas to be addressed are :

- Design / Location / Access / our Lease / Planning / Groundworks / Padel suppliers list / Tender document / Fundraising / Financial projections etc .

If you would like to be involved in this project please email your interest by the end of May to Bill Jackson (bill55jacko@outlook.com) who will coordinate the responses.

Thank you.
