In this newsletter... Christmas Celebration Event 11th December... Court Maintenance... Club Night Fees... Dogs Trust... Main Club Function Room...

Christmas Celebration Tennis Event - 2-4pm, Saturday 11th December

All Santas, Elves, Christmas characters and even just a bit of tinsel welcome. Bar will be open, and if anyone wants to bake/share a few mince pies - please let Mark know.

Court Maintenance and Courts 1 + 2 Closure for 3 days next week

Please remember to **remove leaves before you play** and put them in the green bins at the side of the courts.

Please also take care **not to walk over grass areas before getting onto courts**. There seems to be an issue next to the new exterior furniture, so can you please **keep to the paved area.**

It is really important we look after our courts and keep them clean. And having said that, we are doing some **essential maintenance on Courts 1+2 for three days on November 17/18/19**. The decision was made to commit funds to this task due to the combination of

heavy rains and the appearance of black patches which gives some concerns over safety.

Club Night Fees

We are keeping the Club Night Fees at the lower cost over the winter, but it really relies on members paying their **£1 per session.**
We know not everyone carries cash at the moment, but can you **please remember to bring CASH with you to Club Nights.**

Dogs Trust

Thank you for **re-cycling your tennis balls** and thank you to Jo Lavelle for co-ordinating with the charity. We have raised enough money to fund **another collection unit**, so you will see that appearing soon.

Function Room

Just a reminder that the **Function Room is open for events**. If anyone wants to hire it over Christmas / New Year please have a look at the Main Club website or contact Mark.
