END OF SEASON PARTY

It was a great night at the club - thank you to everyone who joined in - **all 70 of you!**

Mark gave out the presentations to winners over the season and members who have helped organised teams, competitions, the committee, and some unseen helpers!

Special thank yous to Rachael Young who was the inspiration behind the party, Wendy who did some amazing tennis themed decorations - fantastic balloons, strawberries, Wimbledon flags - some interesting signs around the room! And

thanks to Gill Risley for the amazing food and DJ Pete for the bopping sounds.

NEW OUTDOOR FURNITURE

Good to see the new outdoor furniture - plenty of seats, benches, and tables. They have been **provided by the main club** and are made of re-cycled material so minimum maintenance. Enjoy!

WHATSAPP GROUP

A gentle reminder - **can we just use these to arrange tennis please?** For social chat please contact individuals and create your own groups separately.

AUTUMN LEAVES

It is that time of year - can you please make an effort to **drag the courts before and after play** over the next few weeks to remove leaves and debris.
