## 2022 Season... LFE Men's Team... It's all about the team...

The 045's and 050's & 055's at LFE have had a fantastic 2022; as stated by Steve Sharp 'a bunch of middle aged men, still fighting hard to be the best tennis players they can be!' The team have been friends and team mates for over 30 years (40 for some) working together as a team and importantly creating lasting memories.

13th August - a massive win over a very strong Roehampton Tennis Club in the 050's, a tremendous effort from Steve Sharp & Gary Van der Byl, who stepped in for an injured Steve Stroud with Chris Harwood & Steve Brett ever reliable! With temperatures soaring outside in the mid 30's, the LFE team managed the win, supported and cheered on by the amazing LFE crowd who gathered to cheer them on! Thank you to each and everyone of you who came along.

14th August, the 055's team, Steve Brett, Dave O'Sullivan, Gary Van der Byl & Steve Stroud won a tough match at Winchester Tennis Club, paving the way to the semi-final vs Roehampton.

Roehampton managed to avenge LFE team however, beating the LFE 055's the following month.

1st October - Semi-Final win over Florence Tennis and Bowling Club (FTBC) in the 050's. The team had many battles with their nemesis and friends at FTBC with Andy Hibbell and team coming second on a number of occasions; including a National Club final in 2017. Gary Van der Byl this time stepping for Chris Harwood who was recovering from injury; Steve Sharp, Steve Brett, Steve Stroud and Gary fought for the win!

6th November - Semi-Final win over North Oxford Lawn Tennis Club in the 045's. Gordon Armstrong paired with Steve Sharp with Chris Harwood & Steve Brett making up a solid team! The team fought valiantly against a strong North Oxford team, who came armed with the team's friend from his time in Leicestershire, Allan Cooper (Lead Performance Coach - NOLTC), the match was hard fought; the win sweet and a super team effort!

No time for recovery as the team headed off to the National Finals the following weekend.

12th to 13th November - Tennis Centre, Roehampton.

12th November - Finals win over Westside Lawn Tennis Club, Wimbledon in the 045's. A bright and early start to the weekend, with a rematch of probably the closest of matches from the competition played in 2021. The team took on Nick Adams and his team from WLTC and as per their previous encounter, the match went down to the wire; with Gordon Armstrong, Steve Sharp, Steve Brett & Chris Harwood working as a formidable team to finish with the win!

13th November - Steve Stroud stepped up for the live streamed Finals win over South Northumberland Tennis Club in the 050's. With the team still feeling it from the day before and the hard courts taking its toll; the team set out to make it a memorable weekend. SNTC pushed the team to the line with multiple turns and twists but 2 match tie breaks later the team made it to another 4-0 win!

Well done team LFE!

## 2022 Season... LFE Men's Team... It's all about the team... Continued...

19th to 26th November - the team travelled to Megasaray Tennis Academy, Antalya Turkey, for the European Seniors Club Finals. The team were drawn into a group with 2 other Turkish sides and Argayon from Belgium with the other group having teams from Turkey, France, Germany and Netherlands.

Day 1 brought a 4-1 loss to team LFE in what was a closely fought match against Argayon Tennis & Squash Club; however, the team rallied around and dug deep to win the remaining 2 matches in both singles and doubles. With tiredness and aches and pains from the previous weeks tennis, team LFE were certainly feeling the strain but continued to fight with pure grit and determination! 2-1 up after the singles in the second match with Chris Harwood tearing a muscle in his quadriceps and with Steve Sharp suffering with ongoing foot issues the team knew the week would be tough!

The win over Aydinlar Tennis Club meant LFE finished 2nd in their group and secured a place in the semi-finals. Due to injury for 3 out of the 5 players, LFE were unable to field a team for the match against a team from the Netherlands. It was decided LFE would share the Bronze medal with the French; due to them not being able to change their travel plans; a great shame as it would have been fantastic to have finished with another match against their friends from over the Channel.

A massive congratulations to the 050's team, Steve Stroud, Steve Sharp, Steve Brett, Chris Harwood, Gary Van der Byl & Tim Davies as well as the 045's team, Mark Denby, Gordon Armstrong, Danny Poultney & Andy Hutchinson.

The 055's team Gary Van der Byl, Tim Davies, Ian Thomas and Steve Stroud, fought hard in their final match versus Barcelona, after a gruesome fight, Barcelona edged the win, with team LFE awarded the Bronze at the European Championships. Following a successful 2022 season, LFE have qualified for Europe, 2023! Details will follow with these dates.

While many see tennis as an individual sport we can assure you, whether singles or doubles; tennis is definitely a team sport! Support from the team, from the side lines and even via live You Tube streaming! The LFE Men have backed each other up, their families sacrificing time and family gatherings to support training, travel, the ups and downs along the way too! This seasons fantastic result is as much theirs as it is the men's! Tennis teaches you discipline; how to win, how to lose, and how to go that extra mile when every part of your mind, body and soul ache! Well done Team LFE!
