Feedback:

At Lincoln Tennis Academy we aim to ensure that we provide our services right, efficiently and to a high standard at all times. We would like to hear about what we are doing well and areas where we can improve.

We understand there are times you may not always be happy with our club. Therefore, your feedback is very important to us to ensure we continue to provide an excellent service.

This policy covers how you as a member can make a complaint and the process that will be followed and also can provide feedback and suggestions on any aspect of the club's services.

Complaints

The club takes complaints about conduct and behaviour very seriously and works in line with the LTA's processes and procedures to respond to concerns.

This policy tells you how to make a complaint at Lincoln Tennis Academy. This is the policy that we will follow if your complaint is about someone's conduct or behaviour. This could be because you think that someone has behaved in a way that is unsafe, unprofessional, discriminatory, offensive or intimidating. It could also be because someone has broken important rules or policies.

Values and principles

We base our complaints policy on the following values and principles which are in line with the club's ethics and code of conduct – A copy can be found on the noticeboard in the dome and on our website at www.clubspark.lta.org.uk/lincolntennisacademy

You have the right to complain: we take complaints seriously. You should not be harassed, bullied or put at a disadvantage because of making a complaint.

Equality: you should receive a proper response to your complaint, regardless of your age, gender, disability, race, religion, nationality, social status, sexual orientation or political persuasion.

Fairness: we believe that complaints should be dealt with fairly and openly. Unless it would put other people at risk, those affected by a complaint should have a chance to contribute and respond to any investigation.

Safety and welfare take priority: we will always give priority to concerns that affect safety and welfare. Issues affecting children will be treated very seriously.

Confidentiality: we treat complaints as confidentially as possible. Sometimes we have to discuss complaints with other organisations. If we are worried about a risk to a person or to the public, we might need to pass on our concerns to the right authorities. If necessary, we will get advice from other organisations such as the Police, Social Services or the LTA.

How to make a complaint?

If you have a complaint, it is often best to start by having a conversation with someone from within the club. This can be arranged as a verbal conversation or in person. You can also write to the relevant person below if it's easier. It is easier for us to handle your complaint if you provide as much detail as possible. Depending on the nature of your complaint, you should contact the following individuals initially:

Coaching matters – either Dan Cox or Steve Wood

General tennis matters – Dave Williams

Safeguarding matters – Welfare Officer Mr Peter Madden

General Club or other matters – either Ken Tunstall or Nick Pratt

You can send an email to the relevant officer or speak to them by phone. Contact details for members of the Tennis and General Committees are available on our website – www.clubspark.lta.org.uk/lincolnTennisAcademy

What will we do to investigate?

We will give an initial response to your complaint within five working days. If the matter is urgent, we will respond more quickly.

The contact may ask someone else on the coaching team or the Director who manages a specific area of the club's operations to look into the complaint.

We will investigate your complaint fairly. This means that we will discuss the complaint with all of the relevant people involved. We will try to gather any information that may be relevant to handling your complaint.

Sometimes we will ask to show copies of information from the investigation to other people to allow them to respond. This is because we believe in fairness and openness.

We will not share information if we think that this will endanger someone's safety or welfare.

We will take into consideration data protection and privacy in all dealings with any complaint and therefore we will not pass on any personal information unless we receive permission from the complainant to do so.

Where the difference remains unresolved by the initial contact, further reference may be made to the relevant Director

The Club will take reasonable steps to conduct a thorough investigation and will always give priority to someone's safety and well-being. It is important to recognise that whilst we aim to resolve all complaints, in some situations we may decide we cannot investigate or take further action (i.e. this might be due to lack of information or detail). The club reserves the right to end any investigation or refer it to the LTA if required. If this happens you will be given the reasons for the club's decision.

How will I know what is happening?

You will be given the details of a person who will be your point of contact for the duration of the investigation. That person will make sure that you understand the process involved, and will help to answer any questions or concerns that you have.

You will be given an update on the progress of your complaint every two weeks. If there are delays in handling your complaint for any reason, we will keep you informed. If your complaint leads to formal disciplinary action against someone, we will usually inform you about the outcome.

We will not tell you the outcome if that person is a child, or if we believe that telling you would create a risk to other people. In this situation, we will still try to tell you about how you are affected by the action that we have taken.

What are the possible outcomes or results of my complaint?

In many cases, we are able to resolve problems informally. This might include:

A change in arrangements for particular activities

An explanation or apology

An agreement to communicate or act differently in future

If an informal resolution is not suitable, then the club Directors will look at the information about the case. We will try to make sure that this collective does not contain anyone directly involved with your complaint. They might decide to take the following action:

Formal disciplinary action under the rules of the place to play

Formal disciplinary action against a member of staff

Changes in formal contracts or arrangements put in place by the place to play

A decision to refer the case to another organisation such as the LTA, Police, or Social Services.

Closure of your complaint without action

Is there anyone else I can talk to?

Sometimes it can be useful to speak directly to someone outside the place of play if:

You need urgent advice about someone's safety or welfare

You don't want to discuss the issue with someone at the club

Your complaint is very serious

Your complaint involves other organisations

You need specialist advice

The LTA is able to advise on a range of different complaints, and in some cases will handle certain complaints directly.

If you are worried about a child or vulnerable adult's welfare, you can contact the following people:

LTA Safe and Inclusive Tennis Team 020 8487 7000 / www.safeandinclusive@lta.org.uk
(Monday to Friday, 9am to 5pm)

NSPCC – 080 8800 5000

Other Feedback and suggestions

We welcome all feedback and suggestions on the workings of the club. This can include your feedback on the club's services, such as membership, coaching, tournaments or facilities and also suggestions on how we can improve things and make additions to our services.

The club recommends that if you have some feedback or a suggestion that it is sent to the Tennis Administrator in the first instance or by emailing nprattconsultant@aol.com

What will happen with my feedback/suggestion?

Once we have your comment, the Tennis Administrator will aim to respond with a thank-you within five working days.

The Tennis Administrator may then be able to respond to the feedback / suggestion quickly but may also have to discuss the comment with other Directors.

If that is the case, then it may be up to 3-4 weeks before a complete response is received.

The response will determine what will happen to the feedback / suggestion and the person who posed the suggestion will receive a full update on their comment.

All feedback and suggestions will be centrally logged to ensure continuity.

The person who made the initial feedback / suggestion will have an opportunity to respond if they don't feel the comment has been taken on board or dealt with satisfactorily.
