CCTV has been installed. CB is admin. Committee discussed other people can have access on a 'need to' basis.

CB will share CCTV admin details with VM.

Carpark has been completed. There is a bit of aggregate left over which we can use to patch.

Ordered some more infill. Hopefully coming in June.

Started work on the trees today. 2-3 weeks to finish all the trees. Work varies between trimming dead wood or completely cutting down trees.
