

Use of Changing Rooms and Showering Facilities

Little Aston Tennis Club

We would encourage where possible, members and visitors (adults, children and young people) to come to coaching, matches and/or any tennis session at Little Aston Tennis Club (LATC) already changed, wearing suitable clothing, relevant to the game of tennis. e.g. tracksuits, and go home after games to shower.

When or where it is not possible to observe the above, the following will apply:

1. It is expected that most children will be accompanied by an adult who is responsible for them and will not need to use the changing facilities. Should they require the use of the changing facilities they should do so at a separate time to any other member, coach or volunteer and with their responsible adult in close proximity should they require assistance.
2. In the unlikely event that groups of children visit LATC and need to change, they will have sole use of changing rooms. This reduces any risks and potential vulnerability associated with mixing adults and children when changing. Given the membership profile it is NOT expected that children would shower at the venue.
3. If adults and children need to share the changing rooms, they will do so at different times.
4. Under no circumstances will adult staff, coaches or volunteers change or shower at the same time as children using the changing rooms.
5. Mixed gender groups of children will have access to separate changing rooms.
6. If we are made aware that a child or adult self-identifies as a gender that differs from the gender they were assigned at birth, we will work with them and their parents/carers (where it relates to a child) to make reasonable adjustments to changing arrangements to suit their needs.
7. **Mobile phones and other photographic/recording devices must not be used in changing rooms by anyone.**
8. For younger groups of children, a DBS checked member of staff or volunteer will wait outside the changing rooms to allow children to call for assistance if required.

Please note: Currently our facilities only provide a shower in the **male changing room**.
