	Court 2	Home Matches >>	>>	>>			Club session >>	>>	>>				
	Court 3						Club session >>	>>	>>				
	Court 4						Club session >>	>>	>>				

Outside of stated times, all courts are available for ALL members to play.

There may be matches played on Sunday morning, please check the notice board in the club house for details. Only two courts are used for these matches, other courts are free for members use.

When coaching is in progress, other courts are available for members. Any court which is not in use is open for free play (but players must observe the priority groups should they arrive during the designated priority times).

If players are waiting to play during free periods, the players already on court should complete just ONE full set. (Excluding club competition matches, which take priority during free times).

Occasionally the playing schedule may be affected by events (e.g. coaching) where some or all of the courts may be booked.

Efforts will be made to organize such events outside peak time and members will be notified of such events. Effective dates 29th March - 25th October 2020.

15/03/20 Committee
