Member Welcome Pack

Welcome to Lordswood Tennis Club! We are a friendly, community focused tennis club which is part of the Edgbaston Priory Club community tennis venues. We hope you enjoy your time with us and that you find the benefits of our membership beneficial to yourself.

As a venue we not only offer court access but also quality coaching provided by the Edgbaston Priory Club team of coaches, further information on this is below as well as some key contacts.

Key Contacts

Main Contact: Matt Tew, matthew.tew@edgbastonpriory.com (Head of Community Tennis).

Lead Coach: Jordan (contact details on website).

Edgbaston Priory Main Reception: 0121 440 2492

Safeguarding Information: <https://clubspark.lta.org.uk/LordswoodTennisClub/Policies>

Court/Clubhouse Access

Courts are numbered as below:

Upon booking a court via the website, you will be provided a court access key (4 digits) which will need to be inputted into the gate at the entrance to the club. This will then unlock when a successful code is entered.

Please note the clubhouse is only accessible when a coach is present – we are currently looking into options to make this accessible outside of these times.

Courts from be entered by the clubhouse via court 1.

Balls/Courts

Balls will need to be provided by members/players for their session – no balls are available at the club.

Autumn 2021

Courts are bookable via the club website – these are free for members however you will need to pay for floodlight usage if required – see below for further information.

Floodlights

Floodlights are linked to the online booking gate access system. If booking a court at a time when floodlights are required a charge will be applied to your booking to cover this. When the code is then entered into the gate access system, it will activate your courts floodlights.

Coaching

Coaching is organised by Edgbaston Priory Club coaches and a programme for all ages is available. All coaches are LTA Qualified and hold a DBS and safeguarding training. To view our current coaching programme and to enrol please visit the coaching page of our website or contact Matthew Tew via the above email.

Safeguarding

Our current safeguarding procedures are inline with the most up to date LTA practices and information on this can be viewed on this webpage:
