

## Sunday Social - Club Social Tennis summary

- The Sunday social runs from 10am to 12am each Sunday.
- A co-ordinator will take charge of each Sunday social, and will determine the most appropriate playing format (e.g. server off, 20 mins match play, etc)
- When you arrive at the social, please talk to the co-ordinator to check what court to go to, what the format of play is etc.
- The Sunday social is 'open', and ALL club members, irrespective of standard, are welcome (and encouraged!) to attend.
- Those attending must accept they may be playing with and against players of mixed ability. You will need to mix in! Intolerance of, or impatience with somebody who is of a lesser standard is not acceptable.
- Overly aggressive play is to be avoided, adjust your play to the standard of those on court at the time to help encourage people.
- Have fun!
