Local, fun tennis competitions!

WHAT ARE THESE EVENTS & WHO ARE THEY FOR?

Local, fun mini tennis competitions!

A perfect introduction into playing matches whilst having fun with friends (and making new ones). They'll be an element of team competition and the children will get plenty of help with how to play a match.

These events are ideal for a child's FIRST or early TOURNAMENT experience.

You'll find the calendar of events and, entry form and details of how to enter on the next few pages

We look forward to seeing you and your child at a Tennis Wales Club Competition soon!

WHICH EVENTS SHOULD I ENTER?

Aged 11+ = Yellow - for children who are new to competition.

We'll be using a full-sized tennis court, a yellow tennis ball and simple scoring formats. If your child has an LTA Rating of 10.2 or 10.1 (or no rating) these events are for you.

Aged 10 = Green - for children who are new to competition

We'll be using a full-sized tennis court, a mini green ball and simple scoring formats. These events are for children aged 10+ who are playing their first few green tournaments. If your child has an LTA mini tennis rating of G3 or G4 (or no rating) these events are ideal.

Aged 8/9 = orange - for children in their first few orange tournaments

We'll be using the mini orange court, a mini orange ball and simple scoring formats. If your child has an LTA mini tennis rating of O3 or O4 (or no rating) these events are for you.

8 & under = red - we have 2 tiers of mini red competition:

Both tiers of events are lots of fun and a chance to learn and practice how to play matches. We'll use mini red balls, mini red courts and simple scoring formats.

Tier 2 - for children aged 6, 7 & 8 years old who are **beginners** and learning how to play matches

Tier 1 - for children aged 8 or younger who have **played 5 tournaments** (or more), are able to serve, rally and understand the basic rules

Leaderboard & County Finals

Across all the red & orange events we'll be keeping a South Wales Leaderboard for all the children that take part in competitions across the county. The more events you play, the more points you'll get! The players finishing the season at the top of the Leaderboard will be invited to a special County Finals event - details to be confirmed.
