

### **Reduced membership fees for people receiving means-tested benefits**

The club has to cover its costs but is keen that low income should not deter membership. The club thus offers reduced membership (based on the fee that would otherwise apply) to those who are in receipt of (or in the case of juniors live in households that are in receipt of) certain types of income related **MEANS-TESTED BENEFITS**. The benefits eligible for this concession are:

Child Tax Credit

Council tax support (this does not include the single occupier discount)

Housing benefit

Income-based jobseekers allowance

Income-related employment and support allowance

Income support

Pension credit

Universal credit

Working tax credit

If any of these benefits entitles you to our fee concession, please forward evidence that you are receiving it to our Membership Secretary. This information will be treated as strictly confidential.

We welcome you to membership of the club and look forward to meeting you on court!
