There is no need to book, you can just come along to a club session and get a game. We operate a peg board system and Julie Boon, put these rules together to help club sessions run smoothly. There are WhatsApp groups running for several of the club sessions. Please ask Julie Boon if you would like to join.

Please follow these guidelines:

- Players should make up fours in order of arrival at the club session
- Players play seven games and then come off court **HOWEVER** if there are several people waiting you should play seven games and have a sudden death at deuce then come off court. Everyone needs to have a fair share of games.
- The winners of that four split and choose two players from those who are waiting to play with
- Players should mix around and try and play with someone different each time
- The club provides the balls for club sessions although during the winter there are less competitive matches played, so please bring your own balls just in case.

Juniors of the required standard (check with Luciano if you are not sure) are very welcome to join in with our club sessions. Juniors under 16 years of age must be accompanied by a parent or guardian.

*There is a WhatsApp group for the Wednesday afternoon ladies' intermediate session. Please contact Anne Backshell (annebackshell@gmail.com) if you would like to join this group.
