SHANE LEATHER

LTA Level 3 Tennis Coach

Shane has held his LTA Level 3 Coaching qualification since 2001.

Shane's tennis career started at the age of 11 where he represented Hampshire at Under 18. Shane has also played in the top divisions of the Berkshire County League for over three decades.

Shane coaches all ages from 5 to adults, both in group and individual sessions. Shane feels the most important part of tennis is that you have fun and enjoy the lesson, while learning in a relaxed environment. Shane's coaching mantra is 'the more enjoyable the lesson the more you learn.'

Shane also re-strings rackets having been taught by an Ex-Wimbledon Head Stringer. He provides a wide choice of string types. Shane welcomes you to talk to him about different string types, rackets and how they can improve your game or help that aching shoulder or that painful tennis elbow.
