

ABOUT

WILL TERRY

LTA Level 3 Tennis Coach

Will Terry's tennis journey began at the age of 6, where he quickly developed a deep passion for the sport. Although he was a latecomer to competitive tennis, Will's determination and love for the game led him to win the county men's championships. At Bournemouth University where he is currently studying, Will captains the first team. During this period, he recorded multiple national-grade wins.

Will's coaching career spans all age ranges, from toddlers to adults, and encompasses various levels, from beginners to local, regional, and even national juniors. His passion lies in developing players' technical and tactical abilities, helping them to enjoy the game more fully and achieve their potential on the court.

Throughout his career, Will has always been driven by the joy of seeing others improve and find their love for tennis. Whether he's coaching a budding young player or refining the skills of an older beginner, his goal is always the same: to help players develop their game and ignite their enthusiasm for tennis.
