

Feedback Policy

To help us improve the facility and the activities that run within it, the committee welcomes feedback from all our members and club users. We are continually looking at ways to improve the programme of activities to ensure all ages and abilities are included in coaching, internal and external competitions and social opportunities.

There are currently the following opportunities available to members to offer constructive feedback:

- AGM (Annual General Meeting)
- Talk to committee members
- Email montrosetennisclub@gmail.com
- Annual anonymous member survey through LTA
- Write to the President, Head Coach or Secretary at Montrose Tennis Club, Warrack Terrace, MONTROSE, Angus, DD10 8RX
