

As of 13th May the club have had to impose restrictions on court access and play at the club. These are inline with the LTA and governments advice and will be reviewed regularly and if needed, changed as circumstances dictate.

Following LTA best practice guidelines, we are now asking that members book a court electronically on our website before they venture up to the club. This will allow us to monitor the popularity of the courts and if needed, review the restrictions and guidelines for access. Importantly, it will allow you to understand how busy the facilities are so that you can make an informed decision before playing.

We understand that this is a culture change and may cause temporary inconvenience.

Below are some instructions to guide you through the booking procedure.
