ABOUT US

Morpeth Tennis Club is a vibrant club that plays on six floodlit artificial grass courts, situated in the beautiful grounds of Longhirst Hall, to the north of Morpeth, Northumberland. We have a membership of over 100 senior and 40 junior members.

The tennis club has access to a newly refurbished clubhouse which it shares with Morpeth Hockey Club and Morpeth Cricket Club. The clubhouse is well equipped with a spacious bar area, showers, changing rooms, and a meeting room.

All levels of play are catered for at Morpeth Tennis Club, from those who are new to the game or are coming back after a break, to regulars who enjoy group sessions aimed at maximizing the enjoyment and mix of partners in doubles tennis, and team players who are looking to hone their competitive skills in readiness for matches against other clubs in the wider area.

We also have a lively junior section, with group coaching sessions led by Head Coach Mariana Warwick who earned a number 1 ranking for Argentina and Venezuela. She also operates an extensive outreach programme to bring tennis to local schools in the area.
