

Mortonhall Tennis Club Members Code of Conduct

We want to enjoy our club so here are 5 basic principles to help make membership of Mortonhall a positive experience for everyone

Members are expected to:

1. Make everyone feel welcome and included and treat their fellow members and any visitors to the club with respect.
2. Behave in a sporting manner at all times
3. Act responsibly to protect and ensure the safety of themselves and other members particularly the junior and mini members.
4. Help to keep the courts, clubhouse and communal areas in good order (by removing your rubbish, sweeping leaves from courts before play, doing your own washing up etc,) and making sure the courts and clubhouse are secure if you are the last to leave.
5. Cancel your court booking if you cannot turn up so others get a chance to rebook and play.
