

Welcome home Tennis🎾

Congratulations for the launch of this Neath Tennis courts event
And a big thanks to the Tennis group for the time you have spent
To resurrect the sport of Tennis 🎾 and the message you have sent
That Tennis is back for all to encourage and play as tonight we present

That the foundations are being laid to open the courts for everyone
So exciting to be involved and support this project to play and have fun
We need your support to make it a success and to get the funding done
So we can all get going and Tennis will once again be up to play and run

Our Tennis group want to administer and promote Tennis for all ages
Will be good to see you play and enjoy 😊 happy with smiling faces
So our good wishes to the Tennis group tonight for being courageous
For the many hours you have spent in meetings going through the pages

So Tennis 🎾 is going to come to back in Neath and will be here to stay
The sport of Tennis is available to participate in all seasons and every day
The Neath Tennis group have been formed to promote and show the way
To encourage a healthy life style and engage in community Tennis to play

Soon we will all be ready to go on court to hold the ball 🎾 and to serve
The group have been meeting all the challenges and holding there nerve
They wanted to help the community to get the Tennis back we deserve
The ball is now firmly in our court to match play keep course and preserve

So to all you good folks that have all gathered here on this inspiring night
Thank you for all attending and your support to give us the green light
How comforting and rewarding to see the Tennis nets back upright
The ball 🎾 is now going to be hit with momentum strong and bright
