CLUB CHAMPIONS 2021

The Club Champions for 2021 can now be announced!

After a break last year, it was very exciting to see members back competing with each other on court.

The Junior members played all their matches over the weekend of 11th and 12th September and it was brilliant to watch them play. The weather was perfect and there were some super matches. All those taking part enjoyed themselves and displayed great spirit and sportsmanship.

The Adults played their early rounds over the Summer and their Finals were scheduled for Sunday 19th September. Despite rain in the morning, the clouds cleared and the courts dried well. There were plenty of spectators to cheer and all enjoyed the great tennis on display.

Well done to everybody who took part and congratulations to all the winners!

REMEMBERING ANNE

Many Members will remember Anne Saunders who sadly passed away last December. She was a loyal and much-loved member for many years. To celebrate her contribution to the Club we will be dedicating a new bench to her. Anyone who knew Anne is welcome to come at 12 noon on Friday 22nd October (following on from Vets Social Tennis) when members of her family will be there for the 'unveiling' and some refreshments.

MEMBERS SURVEY

We would love to know what you think of the Club, what activities you would like to see happening, what you would like more of and what we should plan for the year ahead. For this reason we will be undertaking a Members' Survey in the next couple of weeks. It will only take a couple of minutes to complete and is your chance to help shape the future of the Club. Look out for it in your email Inbox shortly.

COURT CLEANING

While the courts are closed to enable the fencing to be replaced, they will also be cleaned, and any small holes in the asphalt will be repaired.

Cleaning the courts prolongs their life and keeps them safer to play on. So we will undertake annual cleaning from now on.

IMPORTANT REMINDER

Please make sure that, if any of your contact details change, you update the information held on your account.

To do this, log on to the website. In the top right-hand corner you will see your name. If you click on this, a drop down menu will appear. Choose **my account** and make any changes necessary.

Much of our communication is sent out by email, so it is important that this is kept up to date. Telephone numbers are also useful if there is an urgent message.

If you know of anyone who is not getting email communications, it might be that their contact details are out of date. Or it could be that they are not registered (this often happens in a couples' membership). Please ask them to let me know (email below) and I will send a link that they can use to register.
