

8 & under county cup match report

The Norfolk A girls consisting of Esme, Anastasia, Alice and Ioanna defeated Norfolk B girls consisting of Betsy, Emily, Megan and Maya 9-1 but sadly lost out to Suffolk and Essex meaning the girls teams came 3rd and 4th respectively. The girls displayed great effort, fight and determination and showed improvement in performance since the friendly tie against Cambridge earlier in the year with closer score lines in matches against tough opposition. Showing that they are becoming more well-rounded tennis players. The girls also supported each other really well throughout their matches and encouraged each other really well as a team, especially when playing the doubles and having betting communication skills with their partner.

The Norfolk boys A team consisting of Henry, Oliver, Barnaby and Ben got off to a good start against Suffolk B beating them 10-0. Then went on to beat the Norfolk B boys team 9-1 as well as Suffolk A 7-3 and Essex 6-4. All the boys managed to win at least 8 of their 11 matches in both the singles and doubles to claim top spot for the afternoon. The Norfolk boys B team consisting of Aksel, Finlay, Stanley and Zach came 5th overall. However, the boys were very competitive against some strong counties in Essex and Suffolk who came 2nd and 3rd on the day. Although the Norfolk B boys lost to both counties 7-3, there were some close matches with some of the boys narrowly losing out 10-7 and 10-8. All the boys in the team went home with at least 1 win each as well as some success in the doubles against the Suffolk and Essex teams.

A big thank you to all the scorers for volunteering to help, the parents for bringing the players and Chris for organising and refereeing.
