

BOYS U/10 County Cup Report 2023

25th May, 2023

Norfolk hosted our boys 10u County Cup last weekend in glorious sunshine. With Bedfordshire not being able to field a team it was left to Norfolk, Suffolk and Hertfordshire to battle it out. First up was the derby Norfolk vs Suffolk. Unfortunately we fell to Suffolk 3-1 in the singles with some close matches and Sam taking the only rubber. The doubles saw a very energetic Sam and Aaron bouncing around with fist pumps flying and were 2 sudden deuces away from taking it to a 3rd set. Caleb and Aiden stepped up as number 1s but again the sudden death deuces went against us and we fell 5-1. Up next Hertfordshire who stormed Suffolk. Aidan came in to have his chance and showed great spirit with a smile on his face. Unfortunately Hertfordshire were just too strong and took the score 6-0. All in all a great experience for our players and every player showed real determination. Great stuff team.
