## NORFOLK TENNIS Policy on Supervision of Children

Norfolk Tennis recommends that children under the age of 11 are supervised by their parents/carer whilst at any tennis venues where County activities are being organized (County Training, County Championships.) Supervision for the County Cup and County team events is covered in a separate document.

Children under the agreed age of supervision should not be left unsupervised by a parent/carer even if there are other adult venue members or staff present.

If a parent/carer is unable to supervise their child, arrangements need to be made by the parent/carer to designate an alternative adult to supervise. The appropriate County officer (e.g. relevant age group team captain or assistant captain or tournament organiser) and child must be aware of any such arrangements in advance and a record of the arrangement must be maintained and lodged with the admin team [admin@norfolktennis.org](mailto:admin@norfolktennis.org)

### Arriving and leaving venue alone

Children under the agreed age of supervision should not be allowed to arrive or leave any venue alone unless the appropriate County officer (e.g. team captain or assistant captain or tournament organiser) has written consent from the parent/carer. Records of such consent must be maintained and lodged with the admin team.
