

NORTHUMBERLAND LTA

LTA AWARDS 2020/21

Due to the Covid-19 pandemic, the County was unable to hold its annual awards event during 2020. However, the LTA Awards scheme for 2020-2021 is open to receive nominations from clubs, coaches, club members and volunteers. Nominations for the LTA Awards scheme must be submitted through the LTA website. Any nominations received by the LTA will initially be forwarded to the County after the closing date and will be considered for a County award by the County Awards Panel.

There are twelve categories under the LTA Awards scheme for which nominations may be submitted:

- 1 Club of the Year**
- 2 Coach of the Year (Development)**
- 3 Coach of the Year (Performance)**
- 4 Communities and Parks Award**
- 5 Competition of the Year**
- 6 Disability Award**
- 7 Education Award (School)**
- 8 Education Award (University)**
- 9 Official of the Year**
- 10 Lifetime Achievement**
- 11 Volunteer of the Year**
- 12 Young Person of the Year**

Nominations to the LTA close on 15 November 2020.

Nominations can be submitted online at www.lta.org.uk/awards

Due to the national nature of the LTA Awards scheme, nominations that are likely to progress from the County stage to the Regional and National stages of the competition will need to contain full and detailed information.

The County Awards Panel will consider any nominations received via the LTA during this first stage of the LTA Awards process and will decide upon any County Award winners as appropriate. County Award winners will be recognised at the next County Awards event which the County hope to hold in 2021. County Award winners will be forwarded through to the Regional stage of the competition.
