

NORTHUMBERLAND VENUES AND COACHES - WE NEED YOU!

We all know that players who compete are more likely to stay in the game long term, and running competition is a great way for venues and coaches to retain players in their programmes.

We are looking for **venues to host starter level competitions** for juniors and adults, to introduce them into tennis competition in a friendly and social way.

- ✓ Can be run for any age group - your choice
- ✓ Can be run on any date / time that suits you – making use of ‘dead’ court time – can take as little as 2 hours
- ✓ Open events for members and non-members to enter – giving your members the opportunity to put their coaching into practice again different players!

LTA Youth Matchplays all follow a specific structure:

- Fun warm up for all players
- Singles matches, against similar ability players
- Fun doubles matches to finish
- All results will go towards the player’s new World Tennis Number

Any coach can run LTA Youth Matchplay events

The LTA provide each organiser with a **free resource pack**, including certificates and an organiser sweatshirt!

Organisers / venues will take all player entry fees to cover costs (eg. balls and organiser time)
