ANNUAL REPORT

2021

NORTHUMBERLAND LAWN TENNIS ASSOCIATION

CHAIRMAN'S REPORT 2021

My Report this year sees a more or less complete return to “business as usual” after two difficult years caused by the Covid pandemic which saw extended periods of national lockdown and the suspension of all normal tennis activities with the closure of clubs and courts.

Since the last lockdown period ended on 29th March 2021, we have enjoyed a return to competitive tennis with our County tournaments once again culminating in a successful Northumberland Open in early August followed a few weeks later by the Northumberland County Closed. The N&D League also provided some competitive tennis with a number of clubs playing in a “pop-up” league format.

The Northumberland Tennis Academy returned to its normal coaching programme during the summer months and County Training also resumed its regular programme of activity; a Report from Chris Sanderson on the Academy is contained within these Reports.

With the exception of the Boys and Girls Under 18 teams, whose events would have been held in February 2021, our County teams returned to routine competition. Special mention must be made of our Ladies County Cup Team who achieved the notable feat of winning all their matches in Group 2 of County week to gain promotion to Group 1 in 2022, the first time we have had a senior County team competing in Group for approximately 90 years.

Throughout the year we maintained regular contact with the LTA Northern Region Team and regular meetings of our Tennis Participation Committee were held during the year. A number of webinars were organised by the LTA giving clubs and coaches the opportunity to keep up to date with LTA initiatives and Jo Cunliffe continued to roll-out the LTA's new coach education framework in conjunction with our coaching provider, Leeds Beckett University.

Towards the end of the year, the Association and the Northumberland Tennis Academy were the subject of a safeguarding support visit by the LTA's North Region Safeguarding Manager and I am pleased to report that both the Association and the Academy were assessed to be fully compliant with LTA safeguarding standards.

Close liaison was maintained with the Executive Committee of the Northumberland Club and, following the end of the national lockdown at the end of March 2021, the new red clay courts were put into action and have proved to be very popular with Club members. A number of other facility projects are currently under consideration by the Executive Committee and there are plans to present these ideas to Club members in the weeks ahead to gain member feedback.

Our County Awards event was unable to be held in 2021 due to the requirements of maintaining social distancing under the Covid rules then in force; the attention of clubs was once again directed towards the LTA Awards scheme and the following were nominated for

a County Award: Tom Kinloch (NLTA) was nominated for Official of the Year and Norma Moffet (Gosforth Garden Village TC) was nominated for a Lifetime Achievement Award. These nominations have been put forward to the North Region stage of judging under the LTA Awards scheme.

I would once again like to thank all the volunteers and coaches within clubs who have endeavoured to maintain their facilities and returned to normal activities with their club members.

My thanks to members of the NLTA Council for their continued support and in particular to Tom Kinloch, Martin Clark and George Murphy who as members of our Executive Committee have continued to deal with a wide range of matters during the unusual times covered by this Report. My thanks also to Jane Grey who has continued to represent the County as our LTA Councillor, to Sue Oswald for her continued commitment and enthusiasm towards promoting good safeguarding practice across the County, Chris Sanderson who manages our very successful Academy and County training programmes, and to Kim Sanderson who continues to fulfil the twin roles of County Administrator and Academy Administrator.

Chris Lott

NLTA Chairman

8 March 2022

Northumberland Tennis Academy Manager, Chris Sanderson

2021 was a very challenging time for the Northumberland Tennis Academy for obvious reasons. The Covid-19 pandemic caused severe disruption to a large proportion of the training year, due to lockdown and self-isolations, as well as limiting the competitive opportunities for our young players.

Setting aside those challenges, the last 12 months saw the Northumberland Tennis Academy continue in its multiple roles as a County Training venue, an LTA Local Player Development Centre (LPDC) and an established performance academy. The role of LPDC is no longer supported by the LTA so this initiative ceased nationally in October.

County Training was delivered in all age groups from U8 to U18 and when restrictions permitted the various County Cup events went ahead. There were difficulties raising enough players in some of the younger age groups, which highlighted the issue of players being nominated by clubs/coaches. Due to this lack of players competing at a young age, NTA made the decision to run monthly mini red/orange/green tournaments, to encourage players from local clubs to get involved. These events have been well supported and very well run and administered by Lauren Jones.

Jordan Simpson was nominated by Northumberland to take part in a 12 month mentoring scheme run by the LTA, which focuses specifically on Under 10 players. This role will be crucial in developing more and better U10 players.

In the younger age groups within NTA there has been a significant commitment to the number of training hours, which has subsequently seen significant improvements in the standard of this age of player. This is an area the Academy will continue to develop to ensure players are on a performance pathway as early as possible with a view to competing at a regional and national level.

In addition to County Training the existing Academy programme (NTA) has continued to deliver a comprehensive schedule of on court training, strength & conditioning and tournament support to approximately 120 players over the year.

At a grass routes level NTA used the LTA's Youth Start initiative to give more children the chance to get involved in tennis. This scheme provides a great opportunity for children to have weekly sessions at an affordable rate and in very well structured sessions. Simon Telfer has been the lead coach in these sessions and should be recognised for his hard work and professionalism in organising the on court lessons.

At a competitive level NTA has once again had significant representation at County, Regional and National events with tournament wins and ranking increases all providing further evidence of the effectiveness of the training NTA offers. Both Kouros Ansrisardeh and Aimee Knowles reached the semi finals of the Tennis Europe event in Liverpool and should be congratulated for their performances. NTA had 6 players competing in the grade 1 National

Championships that, in terms of County representation placed Northumberland 5th nationally – a very significant achievement.

In summary, 2021 was a year of challenges as well as successes and The Northumberland Tennis Academy will move into the next 12 months with a continued motivation to develop performance tennis players.

Chris Sanderson

Manager, NTA.

Laurie Haines – North East Participation Development Partner (PDP) & Jo Cunliffe – North Workforce Development Partner (WDP)

Northumberland LTA 2021 End of Year Report

Venues

- **LTA Minimum Standards**
 - Continued close partnership working between NLTA Safeguarding Officer Sue Oswald, LTA PDP Laurie Haines and LTA WDP Jo Cunliffe to support all NLTA to ensure all Minimum Standards in place in order to renew Venue Registration.
 - Extension to Minimum Standards to require all Level 2+ coaches working at LTA Registered Venue to be Accredited/+ paused until 2022/3 renewal window
 - Venue Registration for the 2021/2 membership year:
 - Club package - 26 club venues (all re-registered)
 - Commercial package - David Lloyd Newcastle (re-registered)
 - Local Authority package - Northumberland County Council and North Tyneside Council (re-registered) under the Local Authorities package, covering 8 parks
 - Community – Visually Impaired Tennis Club NEVITC have now changed their county affiliation to Northumberland, with their main base being at the Northumberland Club, Newcastle
- **Joint Regional/County approach to Venue Support**
 - Strong, joined up working established between NLTA and LTA Regional Team
 - Coverage of club support achieved across all registered venues in Northumberland
 - Regular Regional/NLTA meetings maintained throughout 2021
- **Local Authority Parks Engagement**
 - All three Local Authorities in Northumberland were engaged in 2021, linked to the LTA's new Parks Investment Strategy. This Strategy aims to engage Local Authorities to explore sustainable models for their park tennis provision
 - In October 2021, the DCMS announced that it would provide c.£22m to support the LTA's mission to rejuvenate dilapidated park courts across the Country. This funding sits alongside the c.£8m already committed by the LTA for this project, which will run from 2022 – 2024.
- **2021 LTA Venue Forums**

- With continued COVID restrictions, the decision was made to continue delivering Venue Forums virtually throughout 2021. A full calendar of Forums was delivered across the year via Zoom, around topics including marketing and communications, club development and facility projects. Feedback from the sessions was positive, with many commenting favourably on the flexibility of the online format. It is anticipated that a hybrid of face to face and virtual Forums will be offered in 2022
- **Tyne Met College**
 - The College were supported to the end of the 2020/21 academic year, through the LTA's FE offer. Working with their LTA PDP, the College delivered a bespoke Tennis Action Plan, focussing on participation growth, disability engagement competition engagement and workforce development. The continued impact of COVID did hinder the delivery of some areas of the Action Plan, but good progress was made throughout the year, despite the challenging landscape
 - Staffing changes at the College at the end of 2021 saw plans for an updated Action Plan for the 2021/2 academic year put on pause. It is anticipated that this will be revisited in Spring 2022, when a confirmed staffing structure is in place and details of the LTA's new FE offer are released

Programmes

- **LTA Youth Schools Teacher Training (Primary)**
 - All SGOs in Northumberland were contacted regarding new LTA Youth Schools Primary offer. Wide ranging support package for primary schools, including online teacher training and £250 voucher for equipment or coach engagement
 - 107 teachers completed online LTA Youth Schools Primary Teacher Training
 - At the end of 2021, the LTA launched an equivalent offer for Secondary schools. All SGOs were contacted again, to request support promoting offer. Engagement to be key focus in 2022
- **LTA Youth Start (formerly Tennis for Kids)**
 - 38 LTA Youth Start courses delivered in 2021 at 8 Northumberland Venues
 - 332 children aged 4-11 years participated in the programme, receiving 6 weeks of tennis coaching by a trained, LTA Accredited Coach, a racket, personalised t-shirt and set of balls (average of 8.7 attendees per course)
- **Disability & Inclusion**
 - Indoor centre closures during the COVID pandemic had a disproportionate impact on disability activity

- Regular contact with venues and coaches was maintained through 2020, by the LTA's PDP and Disability Development Partner, as well as Open Court Lead RiSE, to ensure all were aware of guidelines around tennis and any changes to rules
 - Six venues in Northumberland were supported to deliver inclusive activity through the LTA's North East Open Court Programme. Beverley Park's Walking Tennis Programme, launched in 2020, continued to go from strength to strength, with the programme being expanded in 2021.
 - The LTA's key disability awareness training for venues, Open Your Doors training, was refreshed in 2021. The workshop is designed to help venues and coaches understand the simple steps and interventions that they can make, to become more inclusive and accessible.
- **She Rallies**
 - **X 4 She Rallies Courses delivered in the North East through LTA Partnership with GirlGuiding**
 - **40 She Rallies Activators Trained through the above partnership**
 - **Fantastic opportunity for further training for GG Leaders through their website. <https://www.girlguiding.org.uk/making-guiding-happen/how-were-being-our-best/updates-for-our-members/she-rallies/>**
- **Tennis for Free**
 - Attendance figures at the two North Tyneside Tennis for Free sites, Souter Park and Richardson Dees Park, grew in 2021, vs previous years. This growth was a result of greater promotion and also a higher interest in outdoor sport, post lockdown
- **SERVES**
 - The impact of COVID venues continued to disproportionately affect SERVES programmes and venues in areas of higher deprivation. Many venues remained as community hubs and/or food banks, well into 2021.
 - The SERVES programme at the Howdon Hub in North Tyneside was finally able to resume in late 2021, having been repurposed during the COVID lockdowns as a food bank
 - Contact with long-standing SERVES site, Hat-trick (Newcastle) re-established
 - Contact was maintained with all SERVES sites throughout 2021, to offer support around tennis delivery, notify centres of upcoming rule changes and to provide ongoing guidance

Workforce

- **LTA Accreditation**

- 20 No. LTA Accredited+ coaches linked to tennis venues in Northumberland
- 32 No. LTA Accredited coaches linked to venues in the County
- LTA Accredited/+ Coaches – qualification breakdown:
 - 3 Level 1
 - 15 Level 2
 - 17 Level 3
 - 14 Level 4
 - 2 Level 5
- **LTA Coach Training**
 - 23 Accredited/+ coaches completed LTA Youth Start training
 - 26 Accredited/+ coaches in Northumberland have completed both elements of the LTA Youth Coach Training
 - 6 LTA Accredited/+ coach have completed LTA Youth Compete training
 - Due to the continued covid challenges very little face to face CPD was delivered. Cardio Tennis ran in November with 6 coaches and LTA Orange to Green a further 6 coaches attended.
 - North East Coach Networks took place over Zoom / Teams. X 3 events in 2021 with approx 40 coaches attending altogether from across the North East.
 - LTA Independent Learning continued to open learning up for Coaches, who were able to choose their own learning through a huge range of platforms / other providers. <https://www.lta.org.uk/roles-and-venues/coaches/development/independent-learning/>
- **LTA Safeguarding Training**
 - As a result of the ongoing COVID restrictions and continued social distancing guidelines, the LTA moved its Safeguarding Training online, to Zoom. This greater flexibility was well received by Welfare Officers and coaches, looking to update their training for their respective roles.
- **2021 North East Coach Network Forums – In above**
- **Changes to Coach Development Centres**
 - Leeds Beckett University took over the North East delivering LTA Qualifications, CPD and other learning and development opportunities. May we take this opportunity to thank UCoach who delivered opportunities in the previous decade and trained up hundreds of new coaches.

Promotion

- **Website**

- The NLTA county Clubspark website continued to provide high quality support to registered venues in Northumberland.
- The website continues to promote all LTA registered venues in the County, providing direct links to their respective websites
- The County website can be viewed at www.northumberlandtennis.org.uk
- **Social media**
 - Thank you to Ashleigh Baines for overseeing social media promotion for Northumberland in 2021, during what was remained a challenging year post COVID

Northumberland Ladies Tennis Team Report

125th Summer County Cup 2021

Northumberland Ladies Team travelled to East Gloucestershire Club in Cheltenham to compete in Group 2 of the LTA's 125th County Week. Team consisted of Amy Hoburn, Deborah Armstrong, Stephanie Booth, Jess Hart, Lauren Jones, Alex Walker and Emma Wilson.

Results:

Monday – Beat Warwickshire 6-3

Tuesday – Beat Lancashire 8-1

Wednesday – Beat Essex 7-2

Thursday – Beat Kent 6-3

Friday – Beat Nottinghamshire 6-3

The team had an extremely successful week winning all five days comfortably to gain promotion to Group 1. This is the first time in 88 years since a Northumberland Ladies Team has competed in the top division. They will travel to Eastbourne in July 2022 to play at Devonshire Park.

Winter County Cup 2021

Northumberland Ladies Team travelled to Bath to compete in Group 1 of the LTA's Winter County Cup weekend. Team consisted of the same players as the summer team; Amy Hoburn, Deborah Armstrong, Stephanie Booth, Jess Hart, Lauren Jones, Alex Walker and Emma Wilson.

Results:

Friday - Lost to Middlesex 6-3

Saturday - Beat Hampshire 6-3

Sunday - Lost to Kent 5-2

The team had a tough but close weekend, where it was all still to play for on the last day. The team will play in Group 2 in November/December 2022, venue yet to be released.

Northumberland Men's Team Tennis Report

Winter County Cup

Men's Winter County cup this year was held at the Shrewsbury club in Shropshire. The teams that were competing were Northumberland, Oxfordshire, Shropshire and Avon. One thing very clear was the step up in standard from division 6 to 5, for division 5 the level of opposition was particularly strong leading to some good matches but overall a very hard task for the Northumberland team.

Our players were as follows;

Adam Boba
Ronan Lunn
Cormac Lunn
Matthew Nice
Sam Knowles
Marcus Jeffrey
Chris Jeffrey

Players making their men's winter county cup debut were Sam Knowles and Marcus Jeffrey. Although all players effort levels over the weekend were exceptional, Matthew Nice had a standout performance winning all three of his singles matches against difficult opposition at No.2 in the team.

The results were as follows;

Northumberland Vs Oxfordshire (Friday) 3-6
Northumberland Vs Shropshire (Saturday) 2-7
Northumberland Vs Avon (Sunday) 2-5

Unfortunately given the results the weekend ended in relegation for the Mens team, however a positive that can be taken is that the team is young and effort levels were brilliant from all involved. Hopefully the younger members of the team carry on improving boding well for the future of Northumberland Mens tennis.

Adam Boba

Summer County Cup

The men played in Hunstanton for the summer event and finished 3rd in the group winning 28 rubbers. The results were as follows:

Northumberland vs Cornwall – 7 - 2

Northumberland vs Bedfordshire – 7 - 2

Northumberland vs South of Scotland – 9 – 0

Northumberland vs Gloucestershire – 3 – 6

Northumberland vs Sussex – 3 - 6

Men's Teams

Mens Over 70

No report submitted

Mens Over 65

Undaunted by the dual threat of Covid and a repeat of past ignominy, the squad prepared for the new season with their usual surfeit of enthusiasm and misplaced optimism. Our first encounter with bitter reality came with a trip to Cumbria – which with hindsight came to be the highlight of the season, though at the time it did not feel that way. In the singles Tony Pensom failed to lead the way with a 1-6, 6-3, 0-1 defeat clutched from the jaws of what should have been a victory, losing a close Championship Tiebreak for the deciding set. Paul Ward marked his debut for the 65's with a 0-6, 3-6 defeat, while our doubles pairing of Don Anderson and Nick Keeley lost a tight match by the narrowest of margins, ending 4-6, 5-7. In the reverse doubles Paul and Tony pulled off a hard fought win, coming out 5-7, 6-4, 1-0 victors, while Don and Nick succumbed 1-6, 3-6. In the event a 4-1 defeat turned out to be our finest performance.

Our next trip took the team to Leeds where we faced the might of Yorkshire – not the usual opposition for our Division 3z stalwarts, but necessitated as a result of Covid. Suffice to say that if desire and effort were truly rewarded we would have done better than the 5-0 score line suggests, with particular credit going to Nick and Don who took the doubles pair to a third set Championship Tiebreak, and Colin Pyle and Tony losing a second set tiebreak by the narrowest of margins.

With the charabanc parked for the season we welcomed neighbours Durham & Cleveland for our first home match. The many familiar faces proved more than a match for our grizzled bodies, with every rubber seeing games won without ever really threatening a breakthrough in another 5-0 defeat. For the match Nick Keeley stepped up to play singles alongside Tony, while Vince Kennedy made a season-first appearance alongside Colin Pyle in the doubles pairing.

The remaining hope rested on an unlikely victory against the power of Lancashire, a county more familiar with the upper echelons of competition. Paul Ward returned to singles battle together with Don Anderson, but neither could inflict real damage on their strong opponents. The same held for Vince Kennedy and Colin Pyle again in the doubles as the team came out with a season low of 14 games won in the 10 sets.

Despite the disappointing results it has remained a pleasure to be involved with this team of excellent people, whose personal qualities far outweigh their tennis abilities and are a pleasure to spend time with. This season marks the end of my dalliance with O'65 tennis and captaincy and I would like to thank my colleagues for all their support over these several years, and also to the Vets Association and Northumberland County LTA for the backing they give to all County teams.

Mens Over 60

No report submitted

Mens Over 50s – Trent Ackhurst / Mark McPeake

We played only 2 matches this year, away to Yorkshire in Sheffield and at home to Cheshire at the County Ground. 5 players played for the team: Trent Ackhurst (captain), John Henderson, Harvey Slater, Michael Thorpe and Julian Goodall.

Northumberland managed to win both matches by a score of 4-1 and more than just being really proud of beating two larger counties, the team had a great time and really enjoyed these matches.

Hopefully moving forward, this team will continue to play and will go from strength to strength.

Ladies Teams

Ladies Over 75s – Sara Chappell

The Over 75s played two matches this year.

Lancashire and Cheshire.

We lost 4-0 to Lancashire Home

We lost 4-0 to Cheshire Away.

Unfortunately, Shropshire never managed to come to us which was a great pity as we enjoy playing matches.

We might have lost both our matches, but we did very well considering most of our team are in their 80s.

Team members were, Sara Chappell (captain), Monica Ogden, Pat Bottrill, Joan Shutt, Magorie Lyons and Helen French.

Ladies Over 70s – Megs Rogers

Players were pleased to be involved in matches again. A recent arrival to the region, Lesley Cranston, helped the team beat Yorkshire 3-1. There followed a loss to old rivals Lancashire 1-3, and Cheshire eventually withdrew. Mainly because of the various withdrawals in the group the team ended up top. Players:- Angela Appleby (1), Mary Corbett (2), Lesley Cranston (1), Pauline Storey (2), Megs Rogers (2).

Ladies Over 65 – Julie Gainford

This season we managed to win one match and lost two.

We won our away match against Yorkshire we all played really well and it was a very competitive match.

The second match away to Cumbria we lost but it was not the most enjoyable match - the venue was a schools tarmac courts with coaching for about 20 kids on the next court - I'll leave the rest to your imagination- it was a bit frustrating!

Our final match at home to Lancashire we lost to a very good team - but thoroughly enjoyed the tennis.

We are enjoying our weekly tennis coaching sessions with John Henderson- so onwards and upwards for next season - we may even get 2 wins out of three!!!!

Ladies Over 60 – Roz Askew

The Ladies Over 60 team only played one match at home at Yorkshire, which we lost 4 – 0.

Ladies Over 50 – Sue Trousdale

Due to the pandemic, this years matches were played in regions on a “friendly” basis.

It was a bonus to be able play these matches during the pandemic although due to the restrictions we did have to reschedule on more than one occasion.

The following matches were played;

Cheshire away.

The Cheshire match was more evenly matched and Northumberland were just edged out of a closely fought match.

Yorkshire at home.

Yorkshire sent a very strong team and Northumberland were soundly beaten, although all players enjoyed a very good standard of tennis.

Lancashire.

Northumberland were unable to field a team and therefore the match was cancelled.

The following players represented Northumberland;

Ali Bell.

Susan Trousdale.

Kim Fewell.

Alison Duncan.

Fiona Twaddle.

Svetlana Freeman.

Thank's to all players who played the matches, hopefully 2022 will see a return to some normality in County Tennis. Special mention and thanks to Kim and Svetlana who stepped in at the last minute to enable us to fulfill our away fixture at Cheshire.

Ladies Over 40 – Emily Ogden

The county tennis was different this year. We played 5 matches against Northern teams. All matches were doubles.

We lost some matches very narrowly indeed to Cheshire and even closer against Cumbria.

Yorkshire was as strong as ever winning the league easily.

It was good to beat local rivals Durham with a convincing win.

Many thanks to all players for their support.

Junior County Cup Overview – Boys & Girls events
Jordan Simpson

18u Boys & Girls

No event due to COVID.

14u Boys

Beat Cumbria 4-2

Beat Durham & Cleveland 4-2

Lost to Yorkshire 0-6

2nd in group
