

## NUTLEY TENNIS & SQUASH CLUB CIC

### INFORMATION SHEET 2021/2022

**Please read this information sheet to ensure that you are aware of everything the club has to offer as well as a few rules and regulations.**

#### **MEMBERSHIP**

The club is open to players of any standard and any age. Membership fees (except where special circumstances arise) are typically agreed at the Club AGM held during March and any member who has **not paid the relevant fee within 10 days** will automatically cease to be a member.

Subscriptions are paid by monthly direct debit with the first payment being pro rata to the membership start/renewal date.

NTSC use Clubspark to manage its membership and collection of subscriptions. Visit this link to join.

<https://clubspark.lta.org.uk/NutleyLawnTennisClub/Membership/Join>

#### **COURT BOOKING**

Members book courts for both Tennis or Squash via Clubspark once they have registered.

Booking a court is necessary. If you are unable to make your allotted time please ensure you cancel your booking so others can use it.

#### **VISITORS**

Members are encouraged to bring visitors; they are seen as potential members. **Each visitor's visit incurs a £5 fee** that must be paid immediately (within 24hrs) either online via Clubspark or bank transfer to **NTSC Sort Code 60-22-05 Account No. 57169454 Ref "Subs & Surname"**. If the visitor subsequently joins any visitor fees paid in the preceding 2 months will be refunded.

#### **CLUB HOUSE & CLEANING**

Basic facilities are provided in the club house and the kitchen should have a supply of cordial, tea, coffee, sugar and long-life milk sachets that members can help themselves to. As a member you are responsible for keeping the club tidy and ensuring you leave the premises in the condition you found them in. The club appreciates any assistance you can give in keeping the facilities clean and tidy.

#### **JUNIORS**

Juniors can use the courts whenever they are free but as stated in our Club's Constitution **MUST** be accompanied by a responsible adult if under the age of 13 years.

For safety reasons no children are allowed on the courts unless they are actually playing tennis or squash.

## DRESS CODE

There are no strict rules about dress other than the correct footwear i.e. specific tennis trainers or non-marking soles for squash.

## SQUASH LIGHTING

No extra charge is made for the use of the squash court lights which are a major contributor to our electricity bill.

This makes us very unusual for a squash club and we ask you respect and value this by turning the lights off immediately after use.

## OFFICERS AND COACHES
