

Old St Mellons Community Council Tennis Club

It has been a busy and successful summer period for the tennis club - starting with the hugely successful Open Day, that was held alongside the Jubilee event, followed by the starting of a social tennis session and finally the junior summer tennis camps. It's been great to see so many people getting on court and enjoying playing tennis. Let's keep hitting!

Open Day

The Open Day was a huge success for the club. Thank you to everyone who was involved, it was great to see so many familiar and new players on court. Thank you to Stuart Baker and Neil Odoherly from Tennis Wales for supporting the event and for their continued help and guidance in getting the tennis club up and running.

The Open Day offered free tennis coaching for a range of age groups, all of which were very well attended. The 6-week junior tennis summer coaching camp was also a huge success and was also enjoyed by all attendees, we hope to offer more of these holiday camps in the new 2022/23 season.

We are hoping to offer regular coaching sessions for juniors and adults on weekend days in the near future. Please can members look out for emails with further coaching session opportunities and updates.

Social Sunday Tennis Session

We are pleased to announce the start of Sunday Social Tennis. This session runs **every Sunday (weather provided) from 10am – 12pm**. All abilities are welcome and for however long or little as you wish to join in a hit. Come along and try it out, it's a great way to get practising and meet other members.

Due to the winter nights drawing-in early and the courts not being floodlit, the management committee made the decision to change social tennis from a Tuesday evening to a Sunday morning. It has been well attended and we look forward to continuing it in the Autumn and Winter months.
