

National Lockdown - Winter Photo Competition

Park Tennis Club

One of the activities our Members engaged in during the National Lockdown was walking, discovering local areas and taking snapshots for Park TC's Winter Photo Competition, with some stunning results.

There were two categories in the competition:

- A Tennis Themed Snow Scene
- B British Weather

Take a look and **vote for your two favourite photos – one from each category.**

Send your votes to infoparktennisclub@gmail.com.

Closing date for voting: Sunday 28th February.

The winner in Category A and the top three winners from Category B will see their photos published in the next issue of Park Life.

The winner from each category will also receive a tube of 3 tennis balls.
