Safeguarding concerns (including low level concerns) arise about a child or adult at risk (including a person who works with them).

Is a crime happening or been committed, or is the child/adult in immediate danger or need immediate medical attention?

Yes

Call 999.

No

Does the concern relate to a child or adult at risk?

Adult

Child

Speak to the adult (if safe to do so). Tell them what you are going to do about the concern and note any views that they may have regarding how they wish the matter to be dealt with.

Seek consent from the adult. If you feel that they do not have capacity to consent, you can act without consent but you must log your decision.

Inform the Venue Welfare Officer

You should discuss the concerns with parents/carers of the child except where this may place a child or others at risk.

LTA online concern form completed by Venue Welfare Officer (or alternative if they are not available).

Venue Welfare Officer makes referral to the local police and/or Local Authority Child/Adult Services Team.

LTA work with Venue Welfare Officer and others as required to provide support and advice

If the Venue Welfare Officer is not available, or they are implicated, please contact the LTA Safeguarding Team via the LTA online concern form. If you need advice outside of business hours, and it is not an emergency, you can contact the NSPCC (children) or your adult safeguarding board.
