

Private Coaching By Tennis Squad

Private Lessons

Private Coaching is available from Tennis Squad coaches and is typically for members who are playing regularly outside of group coaching activities and looking to accelerate their progress. It may also be used as a tool to help new players wanting to boost confidence before joining in with the club programme. Each coach operates their activities on an independent basis with their own timetable / specialisms and sessions are priced within our agreed bands based on experience and qualification.

Our approved coaches list are all LTA qualified and accredited:

Tom Cole	Rob Gaunt
Rob Wedlake	Tom Bellingham
Will Croft	Becca Strelzyn
Siwan Stephens	Ellie Lewis
Claire Powell	

Buddy Hitting

Buddy Hitting sessions are available with coaching assistants and provide rally-based top-up practice to players who already train regularly and can serve/rally/score. They do not involve formal coaching/teaching but offer a chance to practice rallying, patterns of play and points with a more experienced player who is assisting our Squad coaching programme. Buddy Hitting is available at off-peak times only (before 6pm weeknights and avoiding Saturday mornings) with the players' parent assuming responsibility for booking courts, providing balls (1-3 tubes), floodlight tokens and staying on-site if the hitter is U18.

Our approved Hitters have all met club requirements around volunteering, safeguarding and training:

Rebecca Chilcott	Dan James
Alex Lewis	Addy Bradley-Glinister
Gianluca Broadley	Jack Ritchie
Offering 30-minute buddy hitting sessions to Mini Tennis Players
