

### PTC Rules & Regulations for Safe Play - as of 7/27/20

1. The clubhouse remains closed until further notice.
2. All outdoor courts will be available to book from 7:00am - 9:00pm, Monday-Sunday. Indoor courts 1 & 2 are available to book from 7:00am-10:00pm. Please make sure that you leave 15 mins between bookings, if we see that there are back to back bookings then we will move your booking to create a buffer.
3. Singles and doubles play is now permitted with other PTC members from outside your household, as long as you remain 2 metres apart as far as possible. Please maintain social distancing. Do not make physical contact with other players, avoid chasing the ball onto another court if other players are using it. For doubles, consider agreeing in advance which player will take the shot if a ball travels to the centre of the court.
4. You can only play if you have booked a court and are a member of PTC. Please list your players on the booking sheet. Members will only be able to book 7 days in advance. Please leave your court promptly when your time is up. Please take all your belongings (including your rubbish) with you at the end of your session. Avoid congregating on or around the court after playing to allow access for others.
5. The gates to the outdoor courts will continue to be taped open to avoid touching. Please do not lower the nets after use. Clay courts should now be dragged after play - we will leave antibacterial spray on the courts. Indoor courts - please use the hand gel on arrival at the centre, open the door from the foyer and open both fire exits. Please close all door and lock and alarm the clubhouse if you are the last to leave. You will need to be a key holder if you book a court indoors (keys available from Sarah Eaton)
