

Rules for all championship matches:-

The first player/pair to **win two short sets** wins a match. A short set is won if a player/pair reaches four games (not six) with a two-game lead. A normal set tie-break is played if the game score is 3–3 (applies to all sets). The let serve rule applies. Normal deuce rules apply.

Please update the draw with the results of matches. If you lose in the first round of a main competition, take up the relevant slot in the earliest round of the corresponding Plate competition.

Don't wait - players should contact each other to arrange pragmatic match dates & times as soon as possible and no later than the target dates for the rounds. Championship matches should not overlap with the officially reserved sessions (including coaching) shown on the booking system.

If any issues arise, please contact the championships management team for help or adjudication, email: keithd59@aol.com
