

Poole Tennis Scheme

How to use the ClubSpark Booking System

The council have been working with the Lawn Tennis Association to deliver an improved court management system (ClubSpark) for those wishing to play tennis at Branksome Park and Poole Park. ClubSpark will manage court bookings, memberships, take payments and provide access to the courts. The council booking system will no longer be available.

Benefits include:

- Easy access to set up membership, book a court, and access payments online.
- New access gates that are fitted with a pin code keypad for members to enter their unique time-limited access code for their booking. A new code will be issued for each booking and sent to your preferred contact method.
- A safe and secure environment to play protecting players and facilities.
- Continue to offer Pay and Play as an alternative to membership by providing an online booking system.
- Enables booking of floodlights. Tokens are no longer required.
