# **Your New Tennis Committee!**

Earlier this month we held our AGM via zoom. The committee has had a bit of a shake up this year with a few new fresh faces. We would like to thank outgoing members Holly and Vanessa for their work over the last couple of years. Huge thanks needs to go to Alastair Nicholson as well. Alastair has held numerous positions on the committee over the last 16 years. The club has progressed hugely since his involvement and we hope he now gets the chance to play a but more. Thanks Alastair for everything!

# **Development of the Grass Area**

The new committee have outlined initial plans on how where they would like to improve the club over the next 12 months. The main item is to develop the grassed seating area next to court 7. We would like it to be a nice and safe environment for everyone to spend time when not playing. Watch this space!

## **New Ball Machine!**

We have purchased a new ball Lobster Elite 3 machine for members to use! The machine is very high spec and has lots of features to keep you busy! We are expecting it to arrive in the next few weeks. Details of how to book it will be published soon.
